Welcome to Fort Knox. If you have questions, comments or suggestions regarding this SITES booklet, please notify us by e-mail at tuckc@ftknox-emh3.army.mil or by mail to Army Community Service, ATTN: Relocation, 77 Binter Street, Fort Knox, Kentucky 40121. We would like to know if this was helpful to you or if is lacking in any way. Thank you.

Fort Knox is a U.S. Army Training and Doctrine Command installation with the primary mission of training soldiers for the Armor Force. The Armor School is the rock on which the Armor Center mission is built. Its staff sections, directorates, and units provide the personnel, equipment, and guidance needed to train in the development of its doctrine. It is also home to the U.S. Army Recruiting Command and the 2d Region ROTC and Readiness Group Knox. The most well-known landmark at Fort Knox is the U.S. Bullion Depository, better known as the Gold Vault. When you come to Fort Knox, you may stand outside the Depository gate and take pictures, but you may not enter the gate or tour the Depository. Fort Knox is a certified Kentucky city, covering 109,054 acres or about 170.4 square miles. It is the seventh largest urban community in the Commonwealth, with a day-time population of about 33,000. Fort Knox is adjacent to the city of Radcliff, 15 miles north of Elizabethtown, and approximately 45 miles south of Louisville. See MUST KNOW ITEMS for directions from the Louisville International Airport to Fort Knox. The commercial area code for Fort Knox is 502 and the DSN prefix is 464.

In the AT A GLANCE section, under Facility/Services Summary, the numbers of Active Duty Enlisted and Guard Reserve Enlisted are actually totals of all Active Duty, Officer and Enlisted.

For more information on this subject:
AAA Web Site (Motorist Assistance)
<http://www.aaa.com>

If you are flying into Louisville, there is a new USO Airport Lounge located in the main terminal. You can sit down, rest, have a cup of coffee, make a phone call, and get your thoughts together before traveling on to Fort Knox.

If you are traveling by car from the Louisville International Airport, you will take I-65 South to the Gene Snyder Freeway West. Follow that until you reach the highway (it will dead end). Go South and it will bring you to the entrance gates to Fort Knox (about a 30 minute ride). To reach In/Out Processing (White Hall, Bldg 1384), take the Chaffee Avenue entrance. Go through two red lights, under the railroad tracks and the building is the first on the right just before you reach the traffic circle. If you are driving and coming from the South or East, take I-65 North to Elizabethtown. Get off at the last Elizabethtown exit (you will see Cracker Barrel and Comfort Inn signs) and take a left. Go under the railroad tracks and turn right on Ring Road. Follow Ring Road to the third red light. That will be 31W. Go right and follow that until you reach the Chaffee Avenue entrance to Fort Knox. You will travel through Radcliff in doing this. For extensive travel information see the web address below. Note that there is a Seat Belt Law in Kentucky and on Fort Knox (includes passengers) and a requirement for child restraint seats for children 40 inches and under. This is strictly enforced. You may take a Greyhound bus or taxi (351-7373) from the airport to Fort Knox. There is no Fort Knox shuttle to and from the airport. When you arrive at the Fort Knox bus station, call a military taxi (624-1527) to take you to White Hall. See LOCAL COMMUNITY, COMMUNITY TRANSPORTATION.

A message dated May 2000 was released from Army PERSCOM clarifying the Infant/Car Seat policy for HQ Air Mobility Command (AMC) chartered aircraft. Children below the weight of 40 pounds and under the height of 40 inches, regardless of age, must use a FAA approved car seat when traveling aboard AMC passenger missions. It is the responsibility of the soldier to provide a car seat that is in good and fully functional condition and is certified as meeting the FAA requirements. Examples of when a car seat is or is not required are as follows:

(1) For infant/child under 40 pounds but over 40 inches in height, a FAA-approved car seat is not required.

(2) For infant/child over 40 pounds but under 40 inches in height, a FAA-approved car seat is not required.

(3) NOTE: Only when a child is BOTH under 40 pounds and 40 inches in height is the ICS required.

The critical factors in determining the need for a car seat are the infant's/child's weight and height - NOT the child's age. The above policy does not prevent a parent who wishes to place a child who exceeds the above limitations in a car seat while traveling on AMC chartered aircraft.

***Families with children meeting the above criteria who fail to have the appropriate car seat will be denied boarding. This may result in severe hardship for the family while alternate transportation arrangements are made. Coordinating alternate travel arrangements may take in excess of 24 hours during which the family will personally have to procure food and lodging.

You may sign in at One Stop in civilian clothing, but when you inprocess you must be in uniform. You must bring your personnel records, orders, and leave form. You can find the procedures for inprocessing depending upon your status on the Fort Knox web site listed in the Installation Overview section. Go to the web site and click on newcomer information. You will sign in to Family Housing, Single Soldier Quarters, or Transient Billeting as a part of your inprocessing. (You do not have to inprocess to go to Housing; however, you do have to sign in before going there.) The One Stop Processing Center, Bldg 1384, is only open Monday through Friday.

You must register your privately owned weapon on post within 72 hours of arrival. Military Police are available 24 hours a day to assist you with this process (call 624-2111/2112). Check the Fort Knox website under Installation Overview for additional information.

Regarding child care information, see CHILD AND TEEN SERVICES; pet information, RELOCATION SERVICES; and cost of living, RELOCATION SERVICES.

It is important that you hand carry your medical records, will, school records (if possible), any other pertinent documents you will need before your shipment arrives, and of course, many copies of your orders.

The Army Community Service Relocation Program offers a Newcomers Tour the first Monday of each month at 1000. If you are interested please call ACS at 624-6291/8391 for reservations. We will take you on a two hour tour of Fort Knox, Radcliff and Elizabethtown. This is very informal - children are welcome to participate. There is no charge.

An Inprocessing/Newcomers Briefing is presented the 1st and 3d Tuesday and Wednesday of each month. This is mandatory for E-4 and below, but is open to the military community. Family members are encouraged to attend.

Pre-registration is not required.

There are several school districts within a 50 mile radius of post. The following information is provided.

With the implementation of the Kentucky Education Reform Act (KERA) the Primary School was introduced. Primary School is an ungraded, multi-aged elementary program. Parental input is a key part of the program and the curriculum is based on a thematic approach to learning. KERA applies to all schools in this area.

FORT KNOX SCHOOLS:

Fort Knox operates on an alternative calendar, which has four instructional quarters separated by one to three week breaks. The summer break is approximately six weeks. The 2000/2001 schedule is as follows: 7 Aug, Students first day of school; 9-16 October, Fall Break; 21 Dec-5 Jan, Winter Break; 19-28 Mar Spring Break; and 6 Jun, Last day for students. Fort Knox schools are Department of Defense schools. There are eight schools: four elementary schools (grades pre-school through 3d grade); two intermediate schools (grades 4-6); one middle school (grades 7-8); and one high school (grades 9-12). School admission requirements include being a resident of the installation, residing in the household of the service member. Requirements may be waived if the student meets the standard

entrance requirements and the sponsor's assignment to family quarters on post will be made within 90 days from the date housing was requested. Letters to substantiate waivers will be initiated by the Housing Office during inprocessing.

Sponsors enrolling children in the system for the first time will need to bring to school their child's original sealed birth certificate, a completed Kentucky immunization certificate and the student's social security card. Physical exams are required for four-year-old Discover, Kindergarten and 6th Grade students new to Fort Knox. (There may be a waiting period to obtain a physical and immunizations at Ireland Army Community Hospital). Physicals must be dated no earlier than six months prior to the first day of school.

Children who will be four years old by 1 October are eligible to be enrolled in the four-year-old pre-school program. Enrollment is optional, but highly recommended.

Breakfast and lunch are offered at all schools. Free and reduced meals are available to those who qualify. Before and after school intersession care are provided by two programs. For students ages 6-10 years, contact the School Age Services program at 624-6901. For students ages 11-15, a free Middle School program is available after school at the Devers Youth Center, 624-6442. Transportation is provided by each program. Extended day care/before and after school programs for children up to age five are operated by Fort Knox Child Development Services. Some children ride the bus to school and some are required to walk, depending upon how far from the school they live.

All children with special education needs must be identified, evaluated and served through the school system. Related services such as speech/language, occupational therapy, physical therapy and special transportation will be made available to special education students who require such assistance. The Fort Knox schools comply with the Individuals with Disabilities Act. Complete special education services are offered under IDEA pre-school through grade 12 for all areas of special education. POC is Judy Parkison, 624-5654, extension 36. If you have questions not answered, please contact Charlotte Peterson, Exceptional Family Member Program Coordinator at Army Community Service, 502-624-6291. There is a TDD telephone located at ACS. The number is 502-624-7119.

Special programs include Gifted/Talented Services for identified, academically advanced students offered in grades one through eight; the Discovery Program, a montessori-based preschool program for all four-year-olds on a half day schedule (students must be four years old by 1 October); a tutorial reading program for first graders specifically designed to elevate missing reading skills in selected students; and computer education in all schools. Preschool disabled classes are offered through the system at the Child Development Center.

There are approximately 3300 students enrolled in the system. The area of pupil/teacher ratio is under study by the Department of Defense Education Activity and any information offered at this time could be inaccurate by next year. Fort Knox students consistently score average to above average in all areas of nationally administered norm-referenced examinations. Approximately 70% of high school students are college bound. The grading system for the high school is: A (90-100), B (80-89), C (70-79), D (60-69), and F (59 and below). Subjects are designated as Advanced Placement, Honors Courses, Regular Courses, and Basic Courses. Semester quarterly points are determined by course designation and grade. This system is under review and subject to change.

Discipline within the system is primarily the responsibility of the classroom teacher. When ordinary disciplinary measures fail, the child will enter into various levels of an established discipline procedure. The levels escalate from Level I for minor misbehavior normally handled by the teacher to Level IV for violent acts endangering others, which could result in out-of-school suspension to action by the Superintendent. In all situations students will be protected by due process. The complete Student Discipline Process can be read at any of the eight schools. Possession or use of a firearm will result in immediate suspension, notification of the Provost Marshal and referral for an expulsion hearing before the Disciplinary Panel.

The high school graduation credit requirements are English 4, Social Studies 2 1/2, Mathematics 3, Science 2, Health 1/2, and Physical Education 1/2 for a total of 12 1/2 required credits plus 7 1/2 electives (Class of 2001); and English 4, Social Studies 3, Mathematics 3, Health 1/2, Physical Education 1/2, and History and Appreciation of Visual and Performing Arts 1 for a total of 15 required credits plus 7 electives (Class of 2002). Foreign Language, Computer Science and Speech are recommended.

There are no summer classes offered. After school remediation is offered to any student needing help every day. Our JROTC program is consistently rated as one of the top programs in the nation. There is no point of contact for Home Schooling. Those wishing to home school must present a letter to the superintendent stating their intentions.

For high school students, final class rank is computed beginning with grade nine through the first semester of the twelfth grade. The grade point average used to determine rank in class is determined by dividing the number of quality points earned by the number of units of credit attempted. Quality points are earned based on the type classes you take (AP, Honors, etc.) Rank is based on cumulative grades. No classes are excluded when computing class rank. Vocational tracks are offered in welding, auto mechanics, and television production. The Career Intern Program provides students wide opportunities to intern in actual work situations on and off post.

The Dress Code is as follows: Students attending school and school sponsored functions are to wear neat, clean, appropriate clothing that meets the standards set forth in this code. The opinion of the school administrator will decide if clothing or other apparel poses a health or safety hazard or causes disruption of the good order, discipline and educational process. The code is aimed at students in grades 4-12. Students in preschool through grade 3 will be monitored for correctness of dress at the discretion of the school principal. Students are expected to be neat and clean in appearance daily. The wearing of excessively tight, distracting, extreme, or inappropriate apparel is not permitted. Clothing, make-up, insignia or style or any indication in membership in a secret society/gang will not be allowed. Any clothing, lack of clothing or article that is indecent, has questionable language or is potentially dangerous will not be allowed and/or any item which promotes violence or disrespect, or draws unnecessary attention to self and/or mocks the school place. Patches, emblems, clothing and jewelry depicting vulgarity, nude or semi-nude figures, sexually suggestive positions/postures, or advertising alcoholic beverages, drugs or tobacco, promotes violence, hate, racism, discrimination and/or disrespect shall not be worn by any student. No students shall wear a hat, cap, sweatbands, bandanna or sunglasses inside the school. Bandannas will not be worn on school property at any time. Special days designated by the school principal may allow deviation from this or other points within this dress code. Students shall wear shoes at all times. Flaps and/or thongs (flip flops) are not permitted.

Footwear will be judged on the basis of safety and hygiene. Excessively torn clothing will not be permitted. Holes in clothing will not be allowed to show underwear. Skirts, dresses, skorts, wraps, culottes, and shorts will be no shorter than the tips of the wearer's fingers with the arms and hands fully extended at the sides. Clothing which allows the midriff to be exposed shall not be permitted. Shirts, blouses, tops will be tucked in. Shirts, blouses, tops which naturally fall no more than 12 inches below the waist do not have to be tucked in. They may be bloused out no more than 12 inches below the waist. All pants must be worn at the waist. All belts must be buckled. Pants which snap to the leg are not permitted. Body piercing (in which the body is punctured and decorated with a ring or piece of jewelry that attaches in a similar fashion as an earring) for either sex will be restricted to the ears only. All other visible body piercing (nose, lips, etc.) will not be allowed. Body piercing of the tongue will also not be permitted. No see through garments will be permitted unless worn over another acceptable garment. Tank tops and halter tops by themselves are not acceptable dress in the schools. Sleeveless shirts from the manufacturer are acceptable. Hair styles shall be appropriate and consistent with good grooming. Extreme mockingly distracting hair colors, costume makeup and jewelry are not permitted. Curlers are not permitted. Undergarments will not be worn as outer garments. Penalties for violations to the dress code will follow the standard discipline procedure. Students who violate the dress code will be asked to change the clothing in question immediately, if possible, or wait in the office until a parent can bring an appropriate change of clothing. Repeated offenses can result in suspension and/or expulsion.

Gang related behavior and incidents are very low but we can't say non-existent. Law Enforcement Command works with the schools to provide inservice to educators on gang issues. Violent incidences are at an all time low. Substance abuse programs are offered in all grades. The schools work with the post on post-wide activities designed to make students and parents aware of problems with drug and alcohol abuse. Drug and alcohol abuse information is a standard part of the curriculum.

The middle school offers cheerleading and seventh and eighth grade basketball. Elementary schools offer various clubs from Young Astronauts to environmental clubs with overnights to many of the Kentucky parks. Governor's Cup teams in the intermediate schools have performed at high levels in regional and state competition. The high school

football team is a three time state champion in the past decade. The dance team performed in out-of-state competition. All of the athletic and academic teams are competitive. Athletics include football, baseball, track, cross country, softball, wrestling, soccer, golf, tennis, basketball, and volleyball. As the students are highly mobile, teams often have to be developed from year to year. Fort Knox High School offers more athletic opportunities than any school in the state. Clubs are offered in several areas within the curriculum: foreign language, television production, cheerleading, student council, National Honor Society, academic team, newspaper staff, drill team/honor guard (JROTC), Students Against Drunk Drivers, Boys and Girls State, Nations First Student Credit Union, Swing Choir, Governor's Scholars Program, Yearbook Staff and marching/pep bands. The school generously loans its facilities to various groups, to include private clubs, post chapels, higher education classes and meetings for various units on post. Some children ride the school bus (free) and some are required to walk, depending upon how far away from the school they live.

HARDIN COUNTY SCHOOLS:

The Hardin County School System includes the surrounding cities/towns of Radcliff, Elizabethtown, Vine Grove, Rineyville, Cecilia, Glendale, Sonora, Upton and Stephensburg. Hardin County has two high schools (a third is under construction and is scheduled to open in the fall of 2001), North Hardin in Radcliff and Central Hardin in Elizabethtown. Both schools offer the best in curriculum and facilities. Hardin County has five middle schools and thirteen elementary schools. Total enrollment is about 13,000 students. The pupil/teacher ratio is as follows: Preschool 1:17; K-3 1:24; 4 1:28; 5-6 1:29; and 7-12 1:31. Free bus transportation is provided for students. For the 2000/2001 school year, the first day for students will be 2 August; the Fall intersession/break will be 2-13 October; Winter break/intersession will be 21 December-5 January; Spring intersession/break will be 12 - 23 March; last day of school for students will be 31 May. Summer intersession has replaced summer school and will be 4-8 June. Make-up days, if necessary, will be 19 February, 1 June, 4-8 June, and 12-16 March. High School graduation credit requirements are as follows: Language Arts 4; Social Studies 3; Mathematics 3; Science 3; Health 1/2; Physical Education 1/2; and History and Appreciation of Visual and Performing Arts 1. A total of 15 required credits plus 7 electives is required. College prep courses are available. Students planning to attend college are encouraged to

enroll in either the pre-college, academic studies, or the Commonwealth diploma curricula. Through a collaborative effort between Elizabethtown Community College and both high schools, dual credit courses are offered on the high school campuses. There are Advanced Placement courses in U.S History, Biology, Chemistry, English, French, German, Spanish and Calculus. There is a wide array of vocational courses in Agriculture, Technology, Business/Marketing and Family and Consumer Sciences. Both high schools offer JROTC. The 1998 graduates' ACT composite average was 21.1 at Central Hardin and 20.4 at North Hardin. Approximately 52% of Hardin County high school students are college bound. The grading system is A (92-100), B (83-91), C (74-82), D (68-73), and F (0-67). Dress code is determined by each individual school. The schools operate under a strict Code of Conduct. Documents needed for enrollment are as follows: All first time enrollees in public schools are required to have a vision examination completed by an optometrist or ophthalmologist on file no later than January 1st; Preschool - Birth Certificate within 30 days of enrollment, Social Security Number upon enrollment, Kentucky Immunization Certificate upon enrollment, physical examination within 6 months prior to or 30 days following initial admission to school, either a completed application for the National School Lunch program or Admission and Release Committee records which document eligibility for special education; Kindergarten - Birth Certificate within 30 days of enrollment, Social Security Number upon enrollment, Kentucky Immunization Certificate upon enrollment, second MMR vaccine, physical examination within 6 months prior to or 30 days following initial admission to school; All other first time enrollees - Birth Certificate within 30 days of enrollment, Kentucky Immunization Certificate upon enrollment, physical examination within 6 months prior to or 30 days following initial admission, Social Security Number upon enrollment; Students entering 6th grade - Second MMR vaccine, second physical examination within one year prior to entering 6th grade or within 30 days of enrollment. All students MUST have a current Kentucky Immunization Certificate on file. Services for students with disabilities are provided for all students ages 3 through 21, from the most severely involved to the mildly disabled. Students are appropriately evaluated by a multidisciplinary team. Each team is composed of various specialists. Additional support services are provided for students as the need indicates. Appropriate adaptive equipment, materials and techniques are purchased or implemented. Students receive support services in the areas of speech language therapy, physical

therapy, occupational therapy, psychological services, orientation and mobility training, and multi-disciplinary assessments. The point of contact is John Roberts, 270-769-8841. Hardin County Schools School Age Child Care Program (SACC) provides a variety of age appropriate activities for school age children after school. There are eight sites within the county schools. It provides full day as well as half day care during intersession and break weeks. Any child, K-5th grade, attending a participating school may attend on a first come, first serve, space available basis. Point of contact is Angie Lee at 270-769-8864. Before and after school meal programs are not provided. The Hardin County Schools Preschool Program is designed to help preschool children who are at risk of beginning school behind their classmates. It targets children who are four years old by 1 October and qualify for the Federal Free Lunch Program or three or four year old children who are experiencing developmental delays. The Hardin County School District provides many alternative education programs to include Brown Street Education Center for students with behavior problems, Hardin County High School which serves students with an alternative method of obtaining a high school diploma, an educational component for the Hardin County Juvenile Detention Center, and Hardin County Day Treatment and Lincoln Village Treatment Center for State Agency Children. The Gifted and Talented Education program is designed to serve those students in grades K-12 who are identified as possessing demonstrated or potential ability to perform at an exceptionally high level in five categories: general intellectual ability, specific academic aptitude, creative or divergent thinking, psychological or leadership skills, and visual or performing arts. The Hardin County Schools excel continuously in various areas, such as music, academics, and athletics. A wide array of sports/extracurricular activities are available within the school system, to include but not limited to: clubs, Junior Achievement, co-op, student council, academic team, band, newspaper/yearbook, choir, speech and drama, football, boys/girls basketball,

boys/girls cheerleading, baseball, softball, intramurals, boys/girls cross country, boys/girls track, boys/girls golf, boys/girls tennis, boys/girls swimming, boys/girls soccer, wrestling, matmaids, etc.

Elizabethtown has an independent school system. It includes one high school, one junior high school and two elementary schools. If you live in the Elizabethtown city school district (not the same as the city limits) your children may attend this system free of charge. If you live outside the school district, you must pay tuition. Tuition is reasonable, however there may be a waiting list. Call for verification of amount and waiting list before you enroll your child. This system operates on the traditional school calendar.

The Meade County School System has one high school for the entire county and several elementary/middle schools. It is currently operating on the traditional school year calendar (beginning the third week in August and ending the first week in June).

There is a Head Start Program that services the surrounding counties to provide educational, health, nutritional, social and other services to preschool, disadvantaged children and their families. Services include the preschool curriculum and related activities. Three and four year olds with low family income and/or handicapping disabilities are eligible. See SPECIAL EDUCATION.

Kentucky is a beautiful state with many opportunities for enjoyment. The only drawback is the amount of humidity. If you have asthma or allergies, they will not improve while you are here. See CLIMATE for additional information.

NOTE: In the AT A GLANCE, SERVICES/FACILITIES section, the figure listed for enlisted guard/reserve also includes officers and warrant officers.

Regulations

USE OF INFANT/CAR SEAT ON AIR MOBILITY COMMAND CHARTERED AIRCRAFT: See MUST KNOW ITEMS for information on mandatory use.

TRAFFIC LAWS:

The speed limit on post varies. The speed limit in Kentucky is 65 mph on Kentucky interstates and most parkways, however it is 55 mph on other roads. Kentucky has a seat belt law; in addition, Fort Knox requires the driver and all passengers in the vehicle to wear seat belts at all times. A Kentucky law requires that all children 40 inches tall or less must be placed in a federally approved child restraint seat when traveling in an automobile. Fort Knox requires the same. New infants cannot be discharged from the hospital on post unless the parents have a child restraint seat for the new baby. The Loan Closet at ACS can lend a car seat for those awaiting household goods. No person can operate or ride as a passenger on a motorcycle on post unless that person wears approved protective headgear and eye protection. The Kentucky law has just been changed. You do not have to wear a helmet if you have had your operators license for more than a year. Kentucky has a permissive "right turn on red" law, unless a sign forbidding such turns is posted at the intersection.

DRINKING LAWS:

Most of the installation and the surrounding area is located in Hardin County. Hardin County is a dry county. The surrounding counties of Jefferson, Meade and Bullitt Counties are wet counties. Liquor is sold in the Class Six package beverage store on Post. If you are convicted of DUI in Kentucky you will face serious consequences. More stringent sanctions are applied for second and subsequent convictions. Drinking and driving are not tolerated in this area.

ACCIDENTS:

US 31 is extremely dangerous, especially between Fort Knox and Louisville. Obey the speed limit and drive carefully. If you are involved in an accident in Kentucky, notify the nearest state police post (or MP's on post) or use the emergency number listed below.

SUPERVISION OF CHILDREN:

Children 8 and under must be supervised by their parents at all times or be left in the care of the Fort Knox Child Development Center, a certified Family Child Care Provider, or another responsible individual who is at least 12 years old. Supervision of children 9 and older will be based on their age and maturity. Children 15 years and under will not stay overnight in quarters without adult supervision. Parents will also provide appropriate supervision in the playground areas and while children play outside. Playing in the streets is prohibited. Children 8 and

under will not be left unattended for any period in a vehicle.

PASSPORTS:

Applicants must bring an original birth certificate with the raised stamp from the state where they were born. Passports may also be requested through the Elizabethtown Post Office, which might expedite the process. However, there is a charge.

DRIVERS LICENSE (state):

If you have a valid drivers license from another state, you must take the written and eye tests, but you do not have to take the driving test. You are not required to obtain a Kentucky drivers license. If you choose to, the above requirements must be met; however, your out of state license is recognized in Kentucky.

VEHICLE REGISTRATION (state):

If you purchased your vehicle overseas, you will be required to pay a 6 percent sales tax on the vehicle if you license it in Kentucky. If you purchased your vehicle in another state and paid less than 6 percent sales tax in that state, you will have to pay the difference between the percentage you paid and the 6 percent. The percentage is paid on the book value of the vehicle. You may wish to keep your vehicle licensed in your home of record state to avoid this. Check with legal assistance (624-2771) for more information. Also, the County Court Clerk's office does not accept out of state checks. You will need to take cash or a money order if you do not have an in-state account. Army Emergency Relief cannot loan the money for this expense.

VEHICLE REGISTRATION (On Post):

On post registration is no longer required.

WEAPONS REGISTRATION (On Post):

There is a requirement to register personally owned weapons on Fort Knox within 72 hours after arriving on post. MPs are available 24 hours a day at the Fort Knox Military Police Station (624-2111/2112) to assist soldiers with this process. Check the Fort Knox website listed in Installation Overview for additional information.

FISHING LICENSE (State):

Call HUNT CONTROL office listed below.

BOAT LICENSE (State):

See Hardin County Court Clerk information below.

HUNTING LICENSE (State and on post):

You may obtain state and post licenses at Hunt Control (see below). Costs may vary depending upon the type of license and your rank.

Local Community

Local Community Overview

This area offers you the best of several worlds. If you choose to purchase or rent a home rather than live on post you have many options. If you want to

live in a rural setting, Hardin and Meade Counties have much from which to choose. You may live in the country or in a small town without being too far from post. If you want to live in a nice small city you will like either Radcliff, which is just adjacent to post, or Elizabethtown (better known as E-Town), which is about 15 miles south. If you like the metropolitan life, Louisville is only 40-45 miles north. Depending upon which part of Louisville you choose, you may only be 30 minutes from work! The surrounding area has every kind of restaurant you may want. You will want to get out and see the Commonwealth of Kentucky. This is a paradise for those who love to fish or hunt. The countryside is beautiful, especially in the spring and fall. Army Community Service Relocation plans monthly trips called "Discover Your Neighborhood" for soldiers and family members from September through May to give you a taste of what's out there.

This area is a favorite spot for retirees and families. The retiree population is large. The cost of living is good and the availability of Ireland Army Community Hospital and the quality of medical care available in the surrounding area, plus the commissary and post exchange services, make it very attractive.

See EDUCATION for information on schools in the area.

Recreation Opportunities

There are many different recreational pastimes that can be enjoyed in the surrounding area. There is hunting, fishing, youth sports (soccer, baseball, male and female softball, tennis, golf, basketball, etc.). If you like to attend events, there is a professional hockey team and a minor league baseball team in Louisville. The Cincinnati Reds are only two hours away. Of course, you should brace yourself for the basketball season. You are either a Big Blue University of Kentucky fan or a Big Red University of Louisville fan. This is a rivalry unrivaled by any other!

See CHILD AND TEEN SERVICES for specific information on youth sports and activities. See RELOCATION, MORALE, WELFARE AND RECREATION for on-post activities, such as clubs, golf courses, bowling, etc.

Shopping

There is a large Post Exchange that offers competitive prices and a good selection. See INSTALLATION for info. Radcliff offers a WalMart and other smaller stores. Travel 15 miles south to E-Town and find the Towne Mall, the Starlite Center, and many other shopping opportunities. If you want more variety, travel north to Louisville and you will find everything you can

possibly want. There are several large malls and hundreds of specialty shops in the metropolitan area.

State and Community Social Service Agencies

Fort Knox has Exclusive Jurisdiction. That means that what happens on post is handled by on post agencies and what happens off post is handled by the Commonwealth of Kentucky. Because of this, Fort Knox has its own Foster Care Program and Magistrate Court. If you are looking for a specific agency and you do not find it here, look in SUPPORT SERVICES. Army Community Service also has the resource guides for on and off post. If you can't find it here, please call 624-6291 and ask for assistance.

Education

Education Overview

For more information on this subject:
Kentucky Department of Education
<http://www.kde.state.ky.us>

Educational opportunities abound in this area for children, youth and adults. Local schools are excellent. There are pre-school programs on and off post. On post schools have the Discovery program for four year olds. There are also private schools in the local area. For adult education, there is a community college and a vo-tech school in Elizabethtown. There are branches of large universities on post. And, if you are willing to drive 45 minutes, you may attend the main campus of the University of Louisville. Detailed information on educational institutions is included in each topic below. NOTE: In order for your child to attend the Department of Defense Domestic Dependent Elementary and Secondary Schools (DDESS) on post, you must reside in government quarters. Questions regarding this should be referred to the Office of the Garrison Commander, (502) 624-2749.

Public and DODDS Schools

For more information on this subject:
Department of Defense Schools
<http://www.odedodea.edu>

With the implementation of the Kentucky Education Reform Act (KERA) the Primary School was introduced. Primary School is an ungraded, multi-aged elementary program. Parental input is a key part of the program and the curriculum is based on a thematic approach to learning. KERA applies to all schools in this area.

FORT KNOX SCHOOL SYSTEM (DDESS):

Fort Knox operates on an alternative calendar, which has four instructional quarters separated by one to three week breaks. The summer break is approximately six weeks. The 2000/2001 schedule is as follows: 7 Aug, Students first day of school; 9-16 October, Fall Break; 21 Dec-5 Jan, Winter Break; 19-28 Mar, Spring Break; and 6 Jun, last day for students. Fort Knox schools are Department of Defense schools. There are eight schools: four elementary schools (grades pre-school through 3rd grade); two intermediate schools (grades 4-6); one middle school (grades 7-8); and one high school (grades 9-12). School admission requirements include being a resident of the installation, residing in the household of the service member. Requirements may be waived if the student meets the standard entrance requirements and the sponsor's assignment to family quarters on post will be made within 90 days from the date housing was requested. Letters to substantiate waivers will be initiated by the Housing Office during inprocessing.

Sponsors enrolling children in the system for the first time will need to bring to school their child's original sealed birth certificate, a completed Kentucky immunization certificate and the student's social security card. Physical exams are required for four-year-old Discover, Kindergarten and 6th Grade students new to Fort Knox. (There may be a waiting period to obtain a physical and immunizations at Ireland Army Community Hospital). Physicals must be dated no earlier than six months prior to the first day of school.

Children who will be four years old by 1 October are eligible to be enrolled in the four-year-old pre-school program. Enrollment is optional, but highly recommended.

Breakfast and lunch are offered at all schools. Free and reduced meals are available to those who qualify. Before and after school and intersession care are provided by two programs. For students ages 6-10 years, contact the School Age Services program at 624-6901. For students ages 11-15, a free Middle School program is available after school at the Devers Youth Center, 624-6442. Transportation is provided by each program. Extended day care/before and after school programs for children up to age five are operated by Fort Knox Child Development Services. Some children ride the bus to school and some are required to walk, depending upon how far from the school they live.

All children with special education needs must be identified, evaluated and served through the school

system. Related services such as speech/language, occupational therapy, physical therapy and special transportation will be made available to special education students who require such assistance. The Fort Knox schools comply with the Individuals with Disabilities Act. Complete special education services are offered under IDEA pre-school through grade 12 for all areas of special education. POC is Judy Parkison, 624-5654, extension 36. If you have questions not answered, please contact Charlotte Peterson, Exceptional Family Member Program Coordinator at Army Community Service (502-624-6291). There is a TDD telephone located at ACS. The number is 502-624-7119.

Special programs include Gifted/Talented Services for identified, academically advanced students offered in grades one through eight; the Discovery Program, a montessori-based preschool program for all four-year-olds on a half day schedule (students must be four years old by 1 October); a tutorial reading program for first graders specifically designed to elevate missing reading skills in selected students; and computer education in all schools. Preschool disabled classes are offered through the system at the Child Development Center.

There are approximately 3300 students enrolled in the system. The area of pupil/teacher ratio is under study by the Department of Defense Education Activity and any information offered at this time could be inaccurate by next year. Fort Knox students consistently score average to above average in all areas of nationally administered norm-referenced examinations. Approximately 70% of high school students are college bound. The grading system for the high school is: A (90-100), B (80-89), C (70-79), D (60-69), and F (59 and below). Subjects are designated as Advanced Placement, Honors Courses, Regular Courses, and Basic Courses. Semester quarterly points are determined by course designation and grade. This system is under review and subject to change.

Discipline within the system is primarily the responsibility of the classroom teacher. When ordinary disciplinary measures fail, the child will enter into various levels of an established discipline procedure. The levels escalate from Level I for minor misbehaviors normally handled by the teacher to Level IV for violent acts endangering others, which could result in out-of-school suspension to action by the Superintendent. In all situations students will be protected by due process. The complete Student Discipline Process can be read at any of the eight schools. Possession or use of a

firearm will result in immediate suspension, notification of the Provost Marshal and referral for an expulsion hearing before the Disciplinary Panel.

There are no summer classes offered. After school remediation is offered to any student needing help every day. Our JROTC program is consistently rated as one of the top programs in the nation. There is no point of contact for Home Schooling. Those wishing to home school must present a letter to the superintendent stating their intentions.

The high school graduation credit requirements are English 4, Social Studies

2 1/2, Mathematics 3, Science 2, Health 1/2, and Physical Education 1/2 for a total of 12 1/2 required credits plus 7 1/2 electives (Class of 2001); and English 4, Social Studies 3, Mathematics 3, Health 1/2, Physical Education 1/2, and History and Appreciation of Visual and Performing Arts 1, for a total of 15 required credits plus 7 electives (Class of 2002). Foreign Language, Computer Science and Speech are recommended.

For high school students, final class rank is computed beginning with grade nine through the first semester of the twelfth grade. The grade point average used to determine rank in class is determined by dividing the number of quality points earned by the number of units of credit attempted. Quality points are earned based on the type classes you take (AP, Honors, etc.) Rank is based on cumulative grades. No classes are excluded when computing class rank. Vocational tracks are offered in welding, auto mechanics, and television production. The Career Intern Program provides students wide opportunities to intern in actual work situations on and off post.

The Dress Code is as follows: Students attending school and school sponsored functions are to wear neat, clean, appropriate clothing that meets the standards set forth in this code. The opinion of the school administrator will decide if clothing or other apparel poses a health or safety hazard or causes disruption of the good order, discipline and educational process. The code is aimed at students in grades 4-12. Students in preschool through grade 3 will be monitored for correctness of dress at the discretion of the school principal. Students are expected to be neat and clean in appearance daily. The wearing of excessively tight, distracting, extreme, or inappropriate apparel is not permitted. Clothing, make-up, insignia or style or any indication in membership in a secret society/gang will not be allowed. Any clothing, lack of clothing or article that is indecent, has questionable language or is

potentially dangerous will not be allowed and/or any item which promotes violence or disrespect, or draws unnecessary attention to self and/or mocks the school place. Patches, emblems, clothing and jewelry depicting vulgarity, nude or semi-nude figures, sexually suggestive positions/postures, or advertising alcoholic beverages, drugs or tobacco, promotes violence, hate, racism, discrimination and/or disrespect shall not be worn by any student. No students shall wear a hat, cap, sweatbands, bandanna or sunglasses inside the school without a medical excuse. Bandannas will not be worn on school property at any time. Special days designated by the school principal may allow deviation from this or other points within this dress code. Students shall wear shoes at all times. Flaps and/or thongs (flip flops) are not permitted. Footwear will be judged on the basis of safety and hygiene. Excessively torn clothing will not be permitted. Holes in clothing will not be allowed to show underwear. Skirts, dresses, skorts, wraps, culottes, and shorts will be no shorter than the tips of the wearer's fingers with the arms and hands fully extended at the sides. Clothing which allows the midriff to be exposed shall not be permitted. Shirts, blouses, tops will be tucked in. Shirts, blouses, tops which naturally fall no more than 12 inches below the waist do not have to be tucked in. They may be bloused out no more than 12 inches below the waist. All pants must be worn at the waist. All belts must be buckled. Pants which snap to the leg are not permitted. Body piercing (in which the body is punctured and decorated with a ring or piece of jewelry that attaches in a similar fashion as an earring) for either sex will be restricted to the ears only. All other visible body piercing (nose, lips, etc.) will not be allowed. Body piercing of the tongue will also not be permitted. No see through garments will be permitted unless worn over another acceptable garment. Tank tops and halter tops by themselves are not acceptable dress in the schools. Sleeveless shirts from the manufacturer are acceptable. Hair styles shall be appropriate and consistent with good grooming. Extreme mockingly distracting hair colors, costume makeup and jewelry are not permitted. Curlers are not permitted. Undergarments will not be worn as outer garments. Penalties for violations to the dress code will follow the standard discipline procedure. Students who violate the dress code will be asked to change the clothing in question immediately, if possible, or wait in the office until a parent can bring an appropriate change of clothing. Repeated offenses can result in suspension and/or expulsion.

Gang related behavior and incidents are very low. Law Enforcement Command works with the schools

to provide inservice to educators on gang issues. Violent incidences are at an all time low. Substance abuse programs are offered in all grades. The schools work with the post on post-wide activities designed to make students and parents aware of problems with drug and alcohol abuse. Drug and alcohol abuse information is a standard part of the curriculum.

The middle school offers cheerleading and seventh and eighth grade basketball. Elementary schools offer various clubs from Young Astronauts to environmental clubs with overnights to many of the Kentucky parks. Governor's Cup teams in the intermediate schools have performed at high levels in regional and state competition. The high school football team is a three time state champion in the past decade. The dance team performed in out-of-state competition. All of the athletic and academic teams are competitive. Athletics include football, baseball, track, cross country, softball, wrestling, soccer, golf, tennis, basketball, and volleyball. As the students are highly mobile, teams often have to be developed from year to year. Fort Knox High School offers more athletic opportunities than any school in the state. Clubs are offered in several areas within the curriculum: foreign language, television production, cheerleading, student council, National Honor Society, academic team, newspaper staff, drill team/honor guard (JROTC), Students Against Drunk Drivers, Boys and Girls State, Nations First Student Credit Union, Swing Choir, Governor's Scholars Program, Yearbook Staff and marching pep bands. The school generously loans its facilities to various groups, to include private clubs, post chapels, higher education classes and meetings for various units on post.

HARDIN COUNTY SCHOOL SYSTEM:

The Hardin County School System includes the surrounding cities/towns of Radcliff, Elizabethtown, Vine Grove, Rineyville, Cecilia, Glendale, Sonora, Upton and Stephensburg. Hardin County has two high schools (a third is under construction and is scheduled to open in the fall of 2001), North Hardin in Radcliff and Central Hardin in Elizabethtown. Both schools offer the best in curriculum and facilities. Hardin County has five middle schools and thirteen elementary schools. Total enrollment is about 13,000 students. The pupil/teacher ratio is as follows: Preschool 1:17; K-3 1:24; 4 1:28; 5-6 1:29; and 7-12 1:31. Free bus transportation is provided for students.

For the 2000/2001 school year, the first day for students will be 2 August; the Fall intersession/break will be 2-13 October; Winter break/intersession will be 21 December-5 January; Spring intersession/break will be 12 - 23 March; last day of school for students will be 31 May. Summer intersession has replaced summer school and will be 4-8 June. Make-up days, if necessary, will be 19 February, 1 June, 4-8 June, and 12-16 March.

High School graduation credit requirements are as follows: Language Arts 4; Social Studies 3; Mathematics 3; Science 3; Health 1/2; Physical Education 1/2; and History and Appreciation of Visual and Performing Arts 1. A total of 15 required credits plus 7 electives is required. College prep courses are available. Students planning to attend college are encouraged to enroll in either the pre-college, academic studies, or the Commonwealth diploma curricula. Through a collaborative effort between Elizabethtown Community College and both high schools, dual credit courses are offered on the high school campuses. There are Advanced Placement courses in U.S History, Biology, Chemistry, English, French, German, Spanish and Calculus. There is a wide array of vocational courses in Agriculture, Technology, Business/Marketing and Family and Consumer Sciences. Both high schools offer JROTC. The 1998 graduates' ACT composite average was 21.1 at Central Hardin and 20.4 at North Hardin. Approximately 52% of Hardin County high school students are college bound. The grading system is A (92-100), B (83-91), C (74-82), D (68-73), and F (0-67).

Dress code is determined by each individual school. The schools operate under a strict Code of Conduct. Documents needed for enrollment are as follows: All first time enrollees in public schools are required to have a vision examination completed by an optometrist or ophthalmologist on file no later than January 1st; Preschool - Birth Certificate within 30 days of enrollment, Social Security Number upon enrollment, Kentucky Immunization Certificate upon enrollment, physical examination within one year prior to or 30 days following initial admission to school, either a completed application for the National School Lunch program or Admission and Release Committee records which document eligibility for special education; Kindergarten - Birth Certificate within 30 days of enrollment, Social Security Number upon enrollment, Kentucky Immunization Certificate upon enrollment, second MMR vaccine, physical examination within 6 months prior to or 30 days following initial admission to school; All other first time enrollees - Birth

Certificate within 30 days of enrollment, Kentucky Immunization Certificate upon enrollment, physical examination within 6 months prior to or 30 days following initial admission, Social Security Number upon enrollment; Students entering 6th grade - Second MMR vaccine, second physical examination within one year prior to entering 6th grade or within 30 days of enrollment. All students MUST have a current Kentucky Immunization Certificate on file.

Services for students with disabilities are provided for all students ages 3 through 21, from the most severely involved to the mildly disabled. Students are appropriately evaluated by a multidisciplinary team. Each team is composed of various specialists. Additional support services are provided for students as the need indicates. Appropriate adaptive equipment, materials and techniques are purchased or implemented. Students receive support services in the areas of speech language therapy, physical therapy, occupational therapy, psychological services, orientation and mobility training, and multidisciplinary assessments. The point of contact is John Roberts, 270-769-8841. If you have questions not answered, please contact Charlotte Peterson, Exceptional Family Member Program Coordinator at Army Community Service (502-624-6291). There is a TDD telephone located at ACS. The number is 502-624-7119.

Hardin County Schools School Age Child Care Program (SACC) provides a variety of age appropriate activities for school age children after school. There are eight sites within the county schools. It provides full day as well as half day care during intersession and break weeks. Any child, K-5th grade, attending a participating school may attend on a first come, first serve, space available basis. Point of contact is Angie Lee at 270-769-8864. Before and after school meal programs are not provided.

The Hardin County Schools Preschool Program is designed to help preschool children who are at risk of beginning school behind their classmates. It targets children who are four years old by 1 October and qualify for the Federal Free Lunch Program or three or four year old children who are experiencing developmental delays. The Hardin County School District provides many alternative education programs to include Brown Street Education Center for students with behavior problems, Hardin County High School which serves students with an alternative method of obtaining a high school diploma, an educational component for the Hardin County Juvenile Detention Center, and Hardin

County Day Treatment and Lincoln Village Treatment Center for State Agency Children. The Gifted and Talented Education program is designed to serve those students in grades K-12 who are identified as possessing demonstrated or potential ability to perform at an exceptionally high level in five categories: general intellectual ability, specific academic aptitude, creative or divergent thinking, psychological or leadership skills, and visual or performing arts.

The Hardin County Schools excel continuously in various areas, such as music, academics, and athletics. A wide array of sports/extracurricular activities are available within the school system, to include but not limited to: clubs, Junior Achievement, co-op, student council, academic team, band, newspaper/yearbook, choir, speech and drama, football, boys/girls basketball, boys/girls cheerleading, baseball, softball, intramurals, boys/girls cross country, boys/girls track, boys/girls golf, boys/girls tennis, boys/girls swimming, boys/girls soccer, wrestling, matmaids, etc.

OTHER SYSTEMS IN THE AREA:

Elizabethtown has an independent school system. It includes one high school, one junior high school and two elementary schools. If you live in the Elizabethtown city school district (not the same as the city limits) your children may attend this system free of charge. If you live outside the school district, you must pay tuition. Tuition is reasonable, however there may be a waiting list. Call for verification of amount and waiting list before you enroll your child. This system operates on the traditional school calendar.

The Meade County School System has one high school for the entire county and several elementary/middle schools. It is currently operating on the traditional school year calendar (beginning the third week in August and ending the first week in June).

There is a Head Start Program that services the surrounding counties to provide educational, health, nutritional, social and other services to preschool, disadvantaged children and their families. Services include the preschool curriculum and related activities. Three and four year olds with low family income and/or handicapping disabilities are eligible. See SPECIAL EDUCATION.

Private School Information

http://www.kde.state.ky.us/osis/resources/np/Private_School_Information.html#PSreq

If you wish for your children to attend a private school, you will have several choices here. Check the list below for specific information. Please note that tuition for each school is not stated. That is because there are several different rates for each, depending upon whether or not day care and before/after school programs are included and upon how many children there are in the family. Tuition rates change frequently and the school personnel asked that we not publish the rates. They wish to evaluate each family based on their particular situation. The web site listed here will give you additional information about the requirements, etc. of private schools in the Commonwealth of Kentucky. Also, if you are interested in home schooling, you may go to the same web site, except substitute/home_school_requirements after the np

Employment

Employment Overview

If you are on the stopper list you may have an opportunity to be hired civil service. There may be some non-appropriated jobs within AAFES. Off post, there are jobs if you are persistent. There is a large industrial park in Elizabethtown and also many retail businesses. There are a couple of temporary job placement agencies in Elizabethtown. Unless you are on the Stopper List your best opportunities will probably be in the Louisville area. See TEMPORARY EMPLOYMENT RESOURCES.

Federal Civilian Employment for Spouses

The Civilian Personnel Touch Tone Job Information System is in place. This system is designed to provide information about job openings at Fort Knox and also explain the various employment programs. Applicants can call into the system 7 days a week, 24 hours a day. To access the system, the caller must dial (502) 624-5520 with a touch tone telephone. Callers will be led through a series of menu options by selecting the appropriate telephone key. Employment information such as application procedures, vacancy announcements, and special employment programs, will be listed on the system. An Employment Assistance Center is located in building 77 Binter Street, which offers information on vacancies in the area, resume preparation, workshops, etc. This is offered through the Family Support Division. As with most military installations, the employment picture on post is not good. Downsizing has affected us all. The most numerous prospects are in the Louisville area.

The Civilian Personnel Office has gone through regionalization. That means that the direct services available at Fort Knox have been drastically reduced. We are in the South Central Region and the regional office is in Huntsville, Alabama.

Military spouses may be eligible for preference in DoD employment. If you are on the stopper list you have the best chance of being placed. You may have a better opportunity for employment on the outside. There are directorates/organizations on post that are currently undergoing A-76 studies and the outcome could affect future federal hiring. See PERMANENT EMPLOYMENT RESOURCES and TEMPORARY EMPLOYMENT RESOURCES for additional information.

Private Sector Employment

There is a large industrial park in Elizabethtown. If you are moving here to retire this would be a very good area in which to look. It may take you a while to become permanent but if you are young enough to work several more years it would be worth your investment of time. The salary and benefits are good. The local employment office will have information on hiring procedures. There is a large Ford Motor Company plant in Louisville and there is a Toyota plant in Georgetown, Kentucky, which is near Lexington (approximately 2 hours from here). UPS will also undergo a major expansion in Louisville in the next couple of years and they offer excellent educational benefits for college students.

Government Employment

To apply for federal civil service, appropriated or non-appropriated, contact the Civilian Personnel Assistance Center on Fort Knox. To apply for AAFES, contact the AAFES office. To apply for state, county or city jobs contact the Office of Manpower Services in Elizabethtown. Addresses and phone numbers for those offices are in PERMANENT EMPLOYMENT RESOURCES above.

Networking Opportunities

One of the most effective job-searching techniques is word of mouth. Talk to other members of the soldier's unit, neighbors, etc. Become involved in community organizations, not only for networking opportunities but because it will help you become more familiar with your new home. Call the Installation Volunteer Coordinator listed above and volunteer your time and talents. Contact the Chambers of Commerce (listed in Chambers of Commerce section above) and find out if you may attend the meetings. Make the most of your situation.

Medical And Dental

Medical and Dental Overview

For more information on this subject:
United Concordia TRICARE Family Member Dental Plan
<http://www.ucci.com>

Active duty personnel are required to inprocess through the TRICARE Service Center to be assigned a Primary Care Manager. Family members are encouraged to enroll into military treatment facility TRICARE Prime offering. Information on availability of Primary Care Managers is available in the TRICARE Service Center. It is important that family members enroll as soon as possible after arriving on the installation to ensure prompt non-emergency medical services.

MEDDAC:

Ireland Army Community Hospital is located on post. It is an acute-care and general care hospital that operates general, medical, surgical, psychiatric and

specialty clinics and is the largest element of the Fort Knox Medical Department Activity. It is fully accredited by the Joint Commission on Accreditation of Healthcare Organizations. It serves active duty and retired members (on a space available basis) of the uniformed services, their family members and the family members of deceased service members. It also treats civilians in emergency situations when it is the closest hospital. All patients must present an identification card. Children over 10 years of age must present their ID card even when accompanied by a parent with identification. Additionally, patients must be enrolled in the Defense Eligibility Enrollment Reporting Systems (DEERS). Service members must enroll their families in DEERS through their unit Personnel Administration Center or during in-processing at One Stop. TRICARE has been implemented here. It is important for newly arrived soldiers to go to the hospital and speak with the Tricare representative as soon as possible in order to have medical care procedures properly arranged. This may not be the first agency listed on your inprocessing sheet, but you should do this at once. This is the TRICARE Heartland Region. Luckily, your TRICARE Prime enrollment moves with you. Transferring your TRICARE Prime enrollment to the TRICARE Heartland Region is easy, but there are a few important guidelines you should follow.

1. If you plan to continue your TRICARE Prime enrollment in the TRICARE Heartland Region, DO NOT disenroll from your original region.

2. Once you move to the TRICARE Heartland Region, visit the TRICARE Service Center or call 1-800-941-4501 to request a TRICARE Information Packet. You will receive a packet of TRICARE materials along with a TRICARE Heartland Enrollment Application.

3. Attend a Newcomer Orientation (at Bldg 77 the 1st and 3d Tues/Wed of each month) or a TRICARE Briefing (see first paragraph above.) TRICARE representatives will be available to answer any questions as well as help you complete your TRICARE Enrollment Application.

4. Complete the TRICARE Prime Enrollment Application and return it to the TRICARE Service Center or mail it to the TRICARE Heartland Region Operations Center, 333 West First Street, Suite 210, Dayton, OH 45402. To avoid delays in processing your enrollment, make sure all information on the application is current and complete, mark the box "Transferring Enrollment from Another Region (Portability)," and remember to choose a Primary Care Manager in the TRICARE Heartland Region.

5. Your TRICARE Prime enrollment in the TRICARE Heartland Region is effective on the date

Anthem Alliance receives your application (not necessarily on the date you sign the application).

If you need care while your enrollment is being transferred, call 1-800-941-4501 to make your appointment. Emergency care requires no prior authorization. If you or a family member needs emergency care, go to the nearest emergency care center for treatment.

In Kentucky, a minor is any person under the age of 18. A minor can receive routine medical care only with the consent of the parent or legal guardian. Emergency care may be given without parental consent only if there is the threat of loss of life, limb or eyesight.

State law permits minors to receive treatment for family planning purposes, venereal disease, alcohol and drug abuse, and pregnancy without parental consent.

The Community Health Nurse provides comprehensive care and follow-up nursing service for beneficiaries. Services provided include home visits on and off post, chronic disease and tuberculosis prevention, health and troop education, health risk appraisals, and follow-up on selected communicable diseases. Community Health Nursing is also involved with the Persian Gulf Illness program, the Childhood Lead Poisoning Program, hospital discharge planning, and serve as health consultants to the Child Development Services Program. Community HIV education and support services for HIV positive individuals are also available through this program.

Fort Knox has the Army's largest blood center, Camp Memorial Blood Center, that collects and processes donated blood to support Army medical activities worldwide. No appointment is necessary to donate. See MEDICAL SERVICES DIRECTORY.

ELDERLY/SKILLED CARE: If you are responsible for the care of an elderly or ill family member, there are five nursing homes in Hardin County. Some have skilled care. There may be a waiting list. For additional information, contact Charlotte Peterson or Angie Wade at Army Community Service, (502) 624-6291/8391.

DENTAL:

There are three dental clinics on post. Active duty military are provided a full range of dental services. Family members are encouraged to enroll in the

Family Member Dental Insurance Plan (now through United Concordia Companies, Inc.). Very limited care on a space available basis is offered to them on post. Retired members are eligible for emergency and space-available dental care on post. Note that "space available" means you will probably not receive care. Anyone applying for dental care must present a valid ID card. Family members age 10 and under will receive available care when their parent or guardian's card is shown. Children under 18 years of age must be accompanied by a parent or legal guardian. There is no printed list of dentists in the local area who participate in the Family Member Dental Plan, however, there are many. When you call and inquire, make sure you ask if they "participate" rather than "accept" the plan. That means they will not charge over the scheduled payment. If the dentist only "accepts" the dental plan, they may charge over the scheduled payment and the patient will be responsible for paying the difference. Ask for a copy of the United Concordia TRICARE Family Member Dental Plan Benefit Booklet from your dental clinic, unit, or Army Community Service for a full explanation of benefits and procedures.

Comments: The TRICARE Family Member Dental Plan (TFMDP) is a comprehensive and affordable dental plan available to eligible spouses and children of active duty Uniformed Service members. The TFMDP has cost shares, benefit maximums, and coverage limitations similar to typical group dental insurance plans. To be eligible for TFMDP enrollment, spouses must intend to remain on active duty for at least 24 months and this commitment must be confirmed by their parent Uniformed Service. Enrollment and/or changes to enrollment can be accomplished by filling out a DD Form 2494 or 2494-1 at the sponsor's servicing personnel office. Please read these forms carefully as they provide detailed information on enrollment options, limitations and when TFMDP coverage begins. Upon enrollment, sponsor must pay the monthly premium through their Uniformed Services payroll account - the Government pays 60% of monthly premiums. Before providing care to family members, some dental providers may ask to see a copy of the sponsor's Leave and Earnings Statement showing the dental plan payroll deduction. Coverage is worldwide and portable between

assignments. United Concordia Companies, Inc. (UCCI) administers the TFMDP. Detailed TFMDP coverage and enrollment information can be found in the TFMDP benefit booklet. For more information about the program, visit UCCI's web site or contact them at 1-800-866-8499 for information on the TFMDP in the United States, Canada, Guam, Puerto Rico and the U.S. Virgin Islands, or 1-717-975-5017 (toll call) for information on the TFMDP in all other locations. In overseas locations, enrolled sponsors and family members must contact their servicing overseas dental treatment facility and/or Overseas Lead Agent before seeking treatment from host-nation dental providers, except for emergency care.

There is no locally published listing of participating dentists. Check the yellow pages of the telephone book. When calling, ask if the dentist "participates" in the TRICARE Family Member Dental Insurance Plan. If he "participates" it means that he will accept the scheduled payment. If he "accepts" the plan, he may charge over the scheduled payment and the patient will be responsible for paying the difference.

"Participating" dentists will not require you to pay up front for covered services, except your cost share on services covered at 80%. You should enroll through your Military Personnel office.

If you reside OCONUS and return to seek care in the CONUS service area, CONUS dental benefits procedures will be followed for processing claims. In the CONUS service area, the Government does not pay your cost share nor will they pay for any difference between the provider's billed charge and United Concordia's allowance.

Comments: The TRICARE Family Member Dental Plan (TFMDP) is a comprehensive and affordable dental plan available to eligible spouses and children of active duty Uniformed Service members. The TFMDP has cost shares, benefit maximums and coverage limitations similar to typical group dental insurance plans. To be eligible for TFMDP enrollment, sponsors must intend to remain on active duty for at least 24 months and this commitment must be confirmed by their parent Uniformed Service. Enrollment and/or changes to enrollment can be accomplished by filling out a DD Form 2494 or 2494-1 at the sponsor's servicing personnel office. Please read these forms carefully as they provide detailed information on enrollment options, limitations and when TFMDP coverage begins. Upon enrollment the sponsor must pay the monthly premium through their Uniformed Services payroll account - the Government pays 60% of monthly premiums. Before providing care to family members, some dental providers may ask to see a copy of the sponsor's Leave and Earnings Statement showing the dental plan payroll deduction. Coverage is worldwide and portable between assignments. United Concordia Companies, Inc. (UCCI) administers the TFMDP. Detailed TFMDP coverage and enrollment information can be found in the TFMDP benefit booklet. Housing

Housing Overview

Housing should not be a problem for you at Fort Knox. The only long (more than a month or so) waiting time for quarters will be if you want a specific housing area. Off post, there is a good variety of housing available - for rent and purchase. If you choose to live off post, be sure to visit the Community Homefinding, Referral and Relocation Services (CHRRS) Office before you sign a lease. They will help you locate vacancies and give you a thorough briefing regarding landlords, military clause, and other helpful information. Also, see LOCAL COMMUNITY.

Fort Knox is offering family housing to qualified applicants on a world-wide, first-come, first-served basis. This is to help soldiers and families at other installations who face a lengthy wait for family housing. It is also intended for soldiers who are on orders for an overseas tour but won't be taking their family with them. The soldier is eligible to apply to keep his/her family in Fort Knox family quarters for the duration of the tour but not to exceed two years. The type quarters available are generally two and three bedroom multiplex, two story units with one and one-half baths per unit, storage sheds, and central heat/air. Although the program is open to all ranks, the type housing available under this program is limited to that normally made available for junior enlisted and junior NCOs. Soldiers interested in applying for the program should contact the Fort Knox Housing Office at (502) 624-3436 or DSN 464-3436 or by fax at (502) 624-8941. A request for exception to policy must be submitted to the housing office. The staff is prepared to answer any questions

and to fax a housing application and floor plan schematics. Soldiers will be asked to provide verification of active duty status, ETS date, a copy of most recent PCS orders and verification of orders.

The family housing units consist of single, duplex, and row-style homes, in brick, frame, stucco, aluminum siding, and brick veneer. They range from two to four bedroom units. Upgrading is done on a continuous basis. Housing has implemented a hot line, 624-HOME, for questions or comments to better serve soldiers and family members. Housing offices may FAX requests for information to Fort Knox Housing at DSN 464-3436 or commercial (502) 624-3436. Advance applications are accepted. The application will be activated as of the date the soldier signs out of his unit at the losing installation. Most waiting times are short with the exception of four bedroom units and some three bedroom units for some officers. All quarters are air conditioned and most have dishwashers. When you inprocess, this is one of the first stops you should make. If you sign for quarters immediately and you need basic household goods, see the Army Community Service Lending Closet in Building 77 Binter Street and borrow those items. The Lending Closet has basic kitchen items, baby items and sleeping mats.

See AT A GLANCE for waiting times by rank and numbers of units.

Single Soldiers - As a result of the Single Soldier Initiative Policy, Fort Knox has renovated five barracks for single soldiers in the ranks of E-4 and below (permanent party). There are 68 rooms in each of the barracks, with two soldiers to each room. All rooms are equipped with two beds, two night stands w/lamps, two computer desks, two 3-drawer chests, two chairs, one entertainment center, one refrigerator/microwave combination unit, telephone and cable TV hookup, built-in closets, outside entrance and drapes. Each room is approximately 215 square feet. Each building has basement storage; mud room; laundry room w/washer and dryer; dayroom with big TV and games, i.e., pool table and ping pong; and soda, coffee and snack machines.

Other single permanent party soldiers are housed in Steindam Apartments, Cornwell Apartments or in one of 16 suites in Newgarden Towers. The Newgarden Towers Suites are for CPT and above. A new NCO barracks is due to open this fall. Assignments are made out of the Single Soldier

Quarters Office in Building 1383. There is one soldier assigned to each room. Apartments are furnished with a bed, wall unit with a pull out desk, credenza, refrigerator, range, and telephone and cable TV hookup. Reference soldiers in the rank of E-5 and above: You must check with the Single Soldier Quarters Division of Family Housing to determine qualifications for housing. Many factors come into play. If you are single, never married, you will be assigned enlisted quarters.

Reservations are encouraged and may be made up to 30 days in advance for all TDY personnel by calling Transient Billeting at (502) 943-1000. Unofficial visitors will be housed on a space available basis only. Space is available for permanent party, TDY and transient personnel.

If you have a special housing request to accomodate an exceptional family member, submit a request through your chain of command to the housing office and include medical records/documentation to back up your request. The request will be submitted by Housing to MEDDAC for a decision. If you know you will be doing this and you will need the quarters immediately upon arrival, contact Charlotte Peterson at ACS, (502-624-6291/8391) as soon as possible so she can be working on this for you. Verification of EFMP enrollment is required and can be obtained through Charlotte.

There are no mobile home parks or lots on post. See COMMUNITY HOUSING.

See HOUSING OVERVIEW, Record Listing for POC's and phone numbers.

Community Housing

Be sure to stop by the CHRRS Office (Community Homefinding Relocation Referral Services) in Building 1383 before you go househunting! They will steer you in the right direction. See HOUSING OVERVIEW, Record Listing, for phone number. Also, see AT A GLANCE for specific information on rental and purchase costs.

If you choose to live off post, there is ample housing available. There are one, two and three bedroom apartments (not many three), some houses, mobile homes and mobile home lots for rent. The real estate here is very reasonable, due to the low cost of living. If you are coming here from the east or west coast areas you will not believe the amount of living space you can get for the money. There is a good selection of real estate companies in this area.

If you have a pet and you will be renting, expect to pay a pet fee or pet deposit. It may be anywhere from \$50 to \$200. It may not be refundable when your lease is terminated.

Relocation Services

Relocation Services Overview

The Army Community Service (ACS) Relocation Program is here to help you settle-in to your new home as quickly and easily as possible. When you arrive you will be given an inprocessing packet that contains military inprocessing information. This is NOT the Fort Knox Welcome Packet. It pertains to military inprocessing information only. If you have not received a welcome packet in the mail from your sponsor please take the time to stop by building 77 Binter Street (behind the commissary) and pick one up. It will have maps and other information that will be helpful to you. As a part of inprocessing you will visit the Housing Office next door to One Stop or the UPH office in Newgarden Towers. Regardless of whether you are signing for government quarters or billeting or if you are renting or purchasing off post, you will most likely be awaiting household goods. The ACS Relocation Loan Closet can lend you the basic household items, baby items, and sleeping mats you need. If you are here TDY you may borrow the items for the entire length of your tour. Otherwise, you may borrow them 30 days at a time, until your household goods arrive. Our Relocation Program also conducts a Newcomers Tour the first Monday of each month, touring Fort Knox, Radcliff and Elizabethtown. Call ahead for reservations. An ACS Relocation briefing is a part of the Inprocessing/Newcomers Orientation that is conducted the 1st and 3d Tuesday and Wednesday of each month. This is mandatory for soldiers in the ranks of E-4 and below. We encourage all other newly arrived soldiers and all family members to attend. We also offer English As A Second Language classes twice each week in the evenings. We realize every member of the family is affected by the move and so we offer a Fresh Start Workshop for children ages 6-12. This is offered every other month and is for children who are newly arrived or who are preparing to move. There are games, a video, open discussion and refreshments. After you arrive, check out our "Discover Your Neighborhood" trips, which are offered every month except for June and July.

Some of the quarters on post are one story and some are two story. You shouldn't have any problem fitting your furniture into the quarters, unless it would be to move something large up the stairs and around a corner. All quarters are equipped with air conditioning and most have dishwashers. Kitchens are small. See GOVERNMENT HOUSING and BILLETING for additional information.

If you have any unanswered questions, please contact the ACS Relocation Office at the address/telephone number below.

Relocation Assistance

The ACS Relocation office is no longer located in One Stop. We are now located in building 77 Binter Street, which is behind the commissary and across from the Class Six beverage store. The ACS Relocation personnel will sit down with you one-on-one for relocation consultation. Any concerns you have should be discussed so you will not continue to worry. You may make an appointment by calling the number listed above or you may stop by the office and perhaps someone will be free to speak with you then. Any questions we cannot answer will be researched for you. We can provide you with addresses and telephone numbers of agencies with which you will have relocation business. There are also local Chambers of Commerce that may be helpful. The American Red Cross offers 24-hour communications to secure health and welfare reports and the verification needed for emergency leave or extension purposes. Let your family know that the quickest and easiest way to reach you during an emergency is through the Red Cross. They contact their local Red Cross with the information and that office will contact the Red Cross here. Be sure to give your family your unit assignment and address.

When you prepare to leave this area, ACS Relocation also has many services that will assist you in your outbound responsibilities.

In Transit Emergencies

If you experience problems while traveling that require financial assistance, contact the nearest Army Emergency Relief or Air Force/Navy Relief Office or the local American Red Cross. Regardless of what branch of service you represent, any of those offices can assist you and then transfer your loan to the correct branch. They will help you with EMERGENCY assistance - car repair, food, lodging, etc. Recommend you become a member of a travel club, especially if you will be driving a long distance. Towing a car can be very expensive. If you need

directions, go by the ACS office where you are and they may be able to print directions and a map for you on their computer. Also, call information for the road emergency telephone numbers (usually State Police) in each of the states you will be traveling through and put them in the glove compartment of your car. Make sure someone in your family or a close friend know the route you are taking, where you will be staying overnight, and the license plate number, make and model of your vehicle. If there is an emergency and you need to be reached, the State Police might be able to find you.

Financial Preparedness

For more information on this subject:
Military Acclimate (Compare Costs of Living, etc)
<http://www.militaryacclimate.com>

You cannot be too prepared financially for your move. The government moves your household goods and gives you travel funds, but it will probably not be enough to cover all your expenses. NOTE: If it is your first or last move, you will not receive Dislocation Allowance (DLA). Temporary Living Expense (TLE) was authorized for enlisted members on first PCS move effective

5 October 1999. TLE is not payable on last move. NOTE: TLE applies to stateside moves; TLA, Temporary Lodging Allowance, applies to overseas moves and that has not been approved for first moves. Always ask your Finance representative when you have your Finance appointment exactly which entitlements you will receive. You are fortunate that Fort Knox has ample housing and you

shouldn't have to worry about paying for temporary lodging for a long time. We have Camp Carlson if you prefer to stay in cabins or an RV. But you will always spend more than you think on food and incidentals. See BILLETING for additional information about temporary lodging here. Recommend you go to your ACS Consumer Affairs Office where you are currently stationed and ask for a budget workup. Also, make an appointment with the ACS Relocation personnel for an individual consultation. They can give you a relocation checklist that will remind you of things you will need to do that you might not remember. Once you arrive, if you are short of funds you may go to the Army Emergency Relief Office and they can assist with food, temporary lodging, etc. They may also be able to assist with initial rent and deposits. It will be an interest-free loan that will be repayable by allotment. They also have an Emergency Food Locker. Don't go out and buy household items to use until your household goods arrive. You may borrow them from the ACS Loan Closet or you may go to the Fort Knox Helping Hands and "shop" for free items donated by members of the community.

Beware of Rent-To-Own establishments. If you don't have all the furniture you need wait until you have the cash to pay for it. Many times you can pick things up at the post Thrift Shop (known as the Country Store here) at very reasonable prices. If you Rent-To-Own you will most likely pay two or three times what it is worth during your contract.

Also, beware of check-cashing establishments off post. Unfortunately, where there are military installations, there are people just waiting to take your money. You will pay large percentages of your check for them to hold it until payday. Please contact AER if you need assistance.

See the web site below for additional information. See IN TRANSIT EMERGENCIES, Record Listing, above for AER and Red Cross information.

Exceptional Family Member Program (EFMP)

When you inprocess, you will have to come through the ACS office. The person who greets you at the front desk should notice on your inprocessing checklist that you have an exceptional family member(EFM). If not, please tell them so. You will need to speak with either Charlotte Peterson or Angie Wade, the ACS Exceptional Family Member caseworkers. They will help you locate resources in the area to assist your EFM.

The EFM enrollment and screening are completed at Ireland Army Community Hospital on post. If you have a family member with a special need, i.e., medical, educational, emotional, etc. they should be enrolled in this program. Enrollment ensures that they will never be sent to an area where the resources are not available for them. It is possible that the soldier may be sent on an unaccompanied tour if the assignment is for an area not suitable for the EFM. This program is for the protection of military family members.

If you have an exceptional family member, this area will be good unless they have asthma. The Ohio River Valley is bad for people who suffer from asthma or allergies. But there are several allergists in the area and all the on-post quarters are air conditioned. This area is good because of the accessibility of specialists and other resources. Louisville and Nashville resources are close enough to be utilized if necessary.

See EDUCATION and MEDICAL AND DENTAL OVERVIEW for additional information. Also, see CHILD AND TEEN SERVICES, SPECIAL EVENTS for information on Golden Field Day.

Household Goods In-Bound Shipments

When you arrive, you must contact this office and let them know where you can be reached when your household goods arrive. If they do not hear from you, they will put your things in storage. When your goods arrive, they will call you and you can set up a time to have them delivered. If you have goods in storage somewhere else, they will need documentation from you authorizing release of those goods. They also need three copies of your orders; and, if the spouse is setting this up rather than you, he\she will need a power of attorney authorizing him\her to release the household goods.

Make sure you keep your copy of the inventory sheet so you can verify that you received everything.

See RELOCATION SERVICES OVERVIEW for additional information.

Name: Household Goods Inbound Shipments
Address: Building 1384
City: Fort Knox, KY 40121
Phone: (502) 624-2157/2158; DSN 464-2157/2158
Comments: Hours are 0730-1630, Monday through Friday.

Household Goods Out-Bound Shipments

When you know you will be receiving your orders soon from AG, you may call and schedule an appointment with Transportation Household Goods Outbound Office. You must have your orders in hand when you actually go for the appointment. At certain times they may be backed up two or three

weeks with appointments, so it helps if you go ahead and make your appointment, as long as you know your orders are coming prior to that time.

When you go to Transportation, ask any questions you have at that time. They are busy and you may not be able to get through to ask them later. Make a list of questions before you go. Be sure to take your orders with you. You will set up an appointment at this time to have your household goods packed and shipped. You will need to separate what you want to go in your household goods shipment, your hold baggage, and storage. The carrier will give you a copy of your inventory list. Do not lose this paperwork.

Name: Household Goods Outbound Shipments
Address: Building 1384 Vine Grove Road
City: Fort Knox, KY 40121
Phone: (502) 624-3927/3943; DSN 464-3927/3943
Comments: Open 0730-1630 Monday through Friday.

Household Goods Claims

Within 70 days of delivery of your household goods, you MUST report all damages and losses on the DD Form 1840/1840R (pink form) so that the carrier can be notified. You are required to come to the claims office with all copies of the form so that it can be processed and dispatched to the carrier. If you cannot come to the office, mail all pink copies to the address listed below, ensuring that you provide a return address. Be sure to keep a photocopy of the form (both sides) in the unlikely event that the form gets lost in the mail. Failure to report all damages or losses in a timely manner will normally result in a reduction in the amount of compensation for your claim.

Although you have two years from the date of delivery of your goods to FILE A CLAIM against the government, you should file as soon as possible. NOTE: Turning in the 1840/1840R does not constitute the filing of a claim. Also, a claim is not considered to be filed until it is actually received by the claims office.

REMEMBER - There are two deadlines you must meet. You must file the pink 1840/1840R within 70 days of delivery and you must file your completed claim within two years of delivery.

If a carrier contacts you and makes an offer to settle your claim or informs you that lost items have been found, you should notify the claims office immediately. Do not accept or sign any release without the approval of this office.

POV In-Bound Shipments

The shipping processing center for this area is Pontoon Beach MTMC POV Processing Center near St. Louis, Missouri. It is about five or six hours driving time from here. Taxi or limo service is available between the Lambert-St. Louis International Airport and the Pontoon Beach MTMC POV Processing Center.

Name: Pontoon Beach MTMC POV Processing Center
Address: 4236 Crescent Drive
City: Pontoon Beach, IL 62040
Phone: 1-800-275-3706
Comments: Hours are 0800-1630 Monday through Friday

POV Out-Bound Shipments

Again the POV Processing Center for Fort Knox is Pontoon Beach. Most soldiers make arrangements to fly out of the St. Louis airport and just drop their vehicle off on their way out. The Transportation Office will give you a booklet called "Shipping Your POV" that will tell you exactly what you have to do to prepare your car for shipment. The government will pay to ship one vehicle overseas. If you take a second vehicle, you must pay the shipping costs.

City: Fort Knox, KY 40121
Phone: (502) 624-3927/3943; DSN 464-3927/3943

POV Claims

Any damages must be listed on DD Form 788, verified by inspectors at the terminal. Any loss or damage discovered after your inspection and departure from the pick up point cannot be verified by a Government inspector and a claim for those items may not be honored. Describe the loss or damage on the back of your copy of the DD Form 788. Submit this form to the claims office at your gaining installation.

Pet Boarding/Kennels

The on post vet does not provide kennel services. The guest house on post has pet rooms. Check the local telephone book for a listing of kennel services off post.

Pet Licensing

Veterinary services for care of a sick pet are available. This includes sick call, immunizations, and health certificates. Emergency services are not available for veterinary care.

Name: Veterinary Services (On post)

FAX: (502) 624-2773
Comments: Hours are 0800-1200 and 1300-1600 Monday through Friday.

Pet Quarantines

There is no quarantine period for pets arriving in this area.

Veterinary Services

The veterinary services on post are limited to care of a sick pet, which includes sick call, immunizations, and health certificates. For any other services you will have to schedule an appointment with a veterinary off post. There are several from which to choose. Check the listing in the local telephone book.

Pet Transportation

When making your family travel reservations, make reservations for your pet. Remember, your pet is not listed on your orders and you are responsible for making arrangements. If you are flying on a commercial airline, you must provide your own carrier. The government does not pay the transportation cost for your pet. You must pay that amount at the airport. Make sure you put toys and other items that make your pet comfortable in the carrier with it, especially if it is a long flight.

PCS Reporting Procedures

For more information on this subject:
Fort Knox Home Page
<http://147.238.100.101>

All soldiers who are being permanently assigned to Fort Knox must report to the One Stop Processing Center, Bldg 1384 Vine Grove Road prior to reporting to their unit. You may sign-in in Civilian clothes, but when you come back to One Stop for your inprocessing appointment you must be in BDU or Class B uniform. If you are fortunate enough to

have a sponsor, contact him and let him know when you are arriving. This will be especially helpful if you need transportation. The One Stop building is open from 0700-1630 Monday through Friday. There is a snack bar in the One Stop building with vending machines only. All personnel register for housing during their inprocessing. This applies to Family Housing and Transient Housing. If you plan to live off post, you may go to the CHRRS office before you sign in to inquire about off post housing.

Soldiers arriving for TDY should report to the unit stated on their orders. The unit will schedule the soldier for necessary appointments upon their arrival.

Note: The Fort Knox Homepage (web site listed below) goes into much more detail about inprocessing, actually breaking it down into classes, etc. If you have access to a computer, go into the homepage, Newcomer Information, Where to Sign In. This will offer more information.

If you are making a Do-It-Yourself-Move to Fort Knox, you will file your settlement at the Travel Section Office in the One Stop Building (Bldg 1384). All payments are made by Electronic File Transfer to the soldier's bank account.

Separation Procedures

The Transition Center is located in the basement of building 1384, One Stop Processing. It is a part of the Office of the Adjutant General. When soldiers transition out of the service here they are given a checklist of agencies to visit. Our Army Career Alumni Program (ACAP) is a wonderful resource for transitioning personnel. They have counselors who will assist with identifying job skills and preparing the resume. They offer workshops and classes. The Army Community Service Relocation Program can assist with relocation counseling, contacting the local chamber of commerce in their destination city and obtaining information for them. Many retiring soldiers decide to stay in this area because the cost of living is so low and resources are available.

Name: Camp Carlson Campground
Address: U.S. Highway 60 (5 miles from post); 9197 Grahampton Road
City: Fort Knox, KY 40121
Phone: (502) 624-4836 (Office); DSN 464-4836
Comments: Camp Carlson is a scenic outdoor recreational area. The camp features an Army Travel Camp with water, electricity, toilets, showers, laundry facilities and a sewage dump station. Both trailer and tent camping are permitted. There are 25 recreational vehicle sites, seven with water, electrical hookups and sewers and 18 with water and electricity. They are in walking distance of 24-hour laundry, shower and bathroom facilities. In addition, several facilities are available for rental and use, i.e., a lodge with kitchen facilities and a fireplace, four family cabins, four bunkhouse-type cabins and seven picnic shelters. Recreational activities such as fishing, boating/canoeing, and hiking are available, as well as basketball and volleyball courts. Costs per night are as follows: tents, \$4.00 for a 2-man tent and \$7.00 for a family tent; RV space, \$9.50 or \$60.00 per week with electricity and water and \$12.00 or \$75.00 per week with electricity, water and sewer; family cabins, \$25.00 and you must furnish your own bed linens, pillows and cooking utensils. Group cabins have nine sets of bunk beds each and rent for \$3.00 per bunk. They also now have a two bedroom house they will rent for \$45.50 per night. In addition, picnic areas may be rented. Areas 1, 2 and 3 rent for \$20.00 per day; and Area 4 rents for \$40.00 per day. The group shelters in all areas rent for \$75.00. Reservations are required for everything except recreation vehicle sites and tent camping. Individuals who rent their camper or tent from the Fort Knox Rental Center receive a 10% discount per night on their vehicle/tent site. There is no charge for pets, however, guests are responsible for pet cleanup. Pets must be leashed.

Name: Transient Billeting (OQ, VOQ, VEQ, DVQ)
Address: Building 4770 (Newgarden Towers)
City: Fort Knox, KY 40121
Phone: (502) 943-1000
Comments: Open 24 hours a day, 7 days a week. Advance reservations up to 30 days are highly recommended, due to the number of military classes held on post. A copy of your orders is necessary upon checkin. See GOVERNMENT HOUSING for specific information regarding types of billeting that are available.

Name: Wickam Guest House
Address: 7961 Wilson Road
City: Fort Knox, KY 40121
Phone: (502) 942-0490
Comments: Reservations are accepted 90 days in advance for those on PCS orders and 60 days in advance for others, and are strongly recommended. This is a new, modern, full service hotel. Refrigerators, refreshment centers, cribs, and other amenities are available. All rooms are equipped with microwaves. A limited number of pet rooms are available and are assigned on a first-come, first-served basis. They carry a \$8.00 additional charge to register up to two pets per room. DoD civilians are also eligible to stay at Wickam. Rates range from \$23.50 to \$47.50 for those on PCS orders and \$39.00 to \$59.00 for non-PCS. Rates are based on rank and number of occupants. For those on PCS orders, there is an additional \$3.00 charge for each person over one and for others there is an additional \$5.00 charge for each additional person. Suites are available for an additional \$4.00 per night (PCS) and \$10.00 per night (non PCS). Rates are subject to change at any time. It is recommended that you call the above number to make your reservations and confirm the cost. If you have pets, you must have a health certificate that is dated within ten days and a rabies certificate that is dated within one year.

Unaccompanied PCS

Just because you are traveling alone doesn't mean everything will be easy. You need to plan your move. You may want to go to ACS Consumer Affairs for budget counseling so that you may plan your financial strategy. Once you arrive, if you need basic household items, come to ACS and borrow those things from the Loan Closet. You may use them until your household goods arrive.

Please understand that all the services on post are there for the single/unaccompanied soldier just as they are for married soldiers. If you have any questions or need assistance upon your arrival here, contact Cathy Tuck at ACS Relocation, (502) 624-6291/8391.

Single Member Services

There are some exciting things happening at Fort Knox for single soldiers. If you haven't read the section on HOUSING, GOVERNMENT HOUSING, you need to do so. Find out about the nice single soldier barracks for E-5 and below. Also, Fort Knox has a great BOSS Program (Better Opportunities for Single Soldiers). BOSS is an organization that serves as an advocate for single soldiers and plans recreational activities. Its main goal is to improve the single soldiers' quality of life. BOSS meetings are held regularly. Any single soldier is automatically a member of BOSS; it's just a matter of how active you wish to be. There are many special activities planned. For more information, contact the coordinator listed below.

This area offers a wide variety of opportunities for fun and enjoyment. The on-post clubs provide different kinds of music and food. There are five physical fitness centers on post, three swimming pools, one water park, two bowling centers, and two golf courses. If you venture off post into the Louisville area, there is a little of everything. There is also an abundance of fishing and hunting in Kentucky with lakes for swimming and water skiing. There are a couple of man-made snow skiing resorts just north of here, Paoli Peaks and Ski Butler. If you enjoy amusement parks, Kentucky Kingdom is in Louisville, which is only 45 minutes away. There is also Kings Island in Cincinnati.

If you are interested in support groups, see SUPPORT GROUPS listed below. Also, there are many churches and places of worship on post and in the surrounding areas. You may need to visit around before you determine where you want to be.

Chapel Services and Programs

In the military many young people are away from home for the very first time and are experiencing a most exciting, yet vulnerable time of life. The chaplain stands ready to help these people chart their way through the maze of moral and ethical decisions which they face. Fort Knox offers many religious services and activities to provide support to the community.

The following is a list of services and activities offered on a regular basis: Protestant, Catholic, Jewish, Episcopal, Latter Day Saints, and Lutheran. You can call (502) 624-5255 for a list of specific programs and times and all chapel information.

Drug and Alcohol

The Community Counseling Center encompasses the Alcohol and Drug Abuse Prevention and Control Program. It provides services to soldiers, federal employees, retirees and family members. The outpatient program provides group, individual and family therapies in addition to thorough assessments, individualized treatment plans, education and referrals. Treatment programs for adolescents, spouses, and entire families are available. Inpatient treatment will be arranged as necessary on an individual case basis.

There are several inpatient and outpatient facilities in the local area. Contact the Community Counseling Center for more information.

Child And Teen Services

Child and Teen Services Overview

The Fort Knox Community cares about children and youth. We know that moving is very difficult for them, too, and we want to make them as happy as possible while they are here. Fort Knox has a great Child and Youth Services (CYS) Program. They work hard to create fun and challenging things to do. We have one of the best Child Development Services Programs in the Army. School Age Services is super! There is a modern Youth Center with a water park located behind it. And the surrounding

community has much to offer, also. Read through this section and see what you think. If you have any questions, please call the numbers listed below. The CYS Coordinator is Rayceil Oggs. She can currently be reached at (502) 624-1532.

See Eddie Ragland for Teen Services and Beth Caruso for Youth Center and Programs; and Doug Triplett or Eddie Gilmore for Youth Sports.

New Parent Program

The Army Community Service Family Advocacy Program offers Parent Aid for new moms. When a baby is born in Ireland Army Hospital to a soldier in the rank of E-5 and below, a parent aid will visit the mom in the hospital and take her a baby bundle of items she will need to care for the child. That will be followed up in a few weeks with a telephone call or perhaps a visit in the home. Parent aids will also make home visits if the parents feel they need some assistance in learning to care for the baby. Playgroups are also offered for children birth to five years. If you are not visited in the hospital by a parent aid you may stop by the ACS Office and pick up your baby bundle.

Child Care Programs - on Installation

The philosophy of Fort Knox Child Development Services (CDS) is to nurture the child through care, understanding, love and affection. CDS is concerned with the child's development to his or her full potential. This includes the intellectual, physical, social and emotional growth of each individual child. Child Development Services on Fort Knox offers Quarters-based care, or Family Child Care (FCC); and Center-based care, hourly, and part day and full day.

You may not leave your child in a CDS program without first registering your child there. You must have an appointment for registration and there may be a wait of a week to 10 days for a registration appointment. If you are planning to leave your child there during your settling in (unpacking, etc.) that can cause problems. You may want to call ahead to schedule the registration appointment. The registration number is (502)624-6703 or DSN 464-6703.

See AT A GLANCE for waiting list times.

See INSTALLATION, REGULATIONS, for guidelines for leaving children alone.

Phone: (502) 624-6703; DSN 464-6703
Comments: Enrollment/registration for all CDS/SAS (School Age Services) services is handled through this office. Appointments will be made with the appropriate program directors. Hours are 0730-1630 for the office. NOTE: You must schedule an appointment for registration and that can take a week to 10 days. If you need child care immediately upon your arrival or soon after, you may need to call ahead to schedule an appointment.

Address: 4768 8th Armored Division Road Annex
City: Fort Knox, KY 40121
Phone: (502) 624-6706; DSN 464-6706
Comments: This is in-home care provided by an adult family member occupying Government quarters. Both the individual providing services and the occupied housing unit must be certified by Child Development Services before children may be accepted for care. All FCC providers receive instruction in such topics as CPR, food sanitation, and early child development before being professionally certified. In addition, providers receive on-going in-service training and FCC homes are monitored regularly by Preventive Medicine, the Fire Department, Safety Office and the FCC Staff.

Child Care Programs - Community

There are a large number of child care programs in the local areas of Hardin and Meade counties -- too many to list in this printout. If you choose not to use the facilities on post, talk with other members of your unit or your neighbors. Referrals of this nature are usually reliable. Also, check the listings in the local telephone book and call to make an appointment to check it out. See for yourself what they have to offer. Some of the off post schools have after school care, also.

Things To Do - Clubs and Social

For teens, see FOR TEENS ONLY for a complete list of clubs and activities through Youth Services on post. The schools in the area offer many choices in clubs. There is Beta Club, Future Farmers of America, Future Homemakers of America, Future

Business Leaders of America, Medical Careers Club, Fellowship of Christian Athletes, French Club, German Club, Spanish Club, etc. There are no private clubs in this area. See below for clubs for youth ages 10 and under.

There may be other clubs through the Youth Center. Make sure you check with them to see what is available. During the summer the following camps are offered:

Skippin' Thru Summer - A theme camp for ages 6-10.
Great Adventure Program (GAP) - A sports/adventure camp for ages 9-10.

Gymnastics Camp - ages 6 and up.

Dance Camp - ages 3 and up.

Trips Especially for Kids (TREK) - Amusement sites for ages 6-10.

Fishing Camp - ages 6-10.

Kindermusik Camp - Ages 6-10 (registration is April - June)

Things To Do - Recreation and Sports

The Youth Sports program on post is a year-round operation. It is dedicated to providing a positive, athletic, personal and social skill-development program to sons, daughters, and grandchildren in the Fort Knox Community. All registrations are held at Devers Youth Center, Bldg 5543 Chaffee Avenue. Individuals should bring proof of child's age, and necessary medical information. Registration fees must be paid in full at the time of registration. Programs include:

Soccer: Ages 4 1/2 - 18; seasons are Fall (Aug-Oct) and Spring (Mar-May)
Baseball: Ages 5-18; season is May-Jul.
Football: Ages 7-9 and 13-18 (flag football) and 10-12 (tackle football); season is Sep-Nov.
Basketball: Ages 5-18; season is Jan-Mar.
AAU Track, Basketball/Wrestling.

You must sign up for sports programs 30 days prior. The cost is \$25.00 plus the Child Youth Services Registration Fee. Volunteers are always needed.

When you arrive, stop by the Devers Youth Center and pick up a schedule of registration and season times. The Devers Youth Center is located at 5543 Chaffee Avenue. It is a wonderful facility with many planned activities. See YOUTH CENTERS below for more information.

There is a Water Park behind the Devers Youth Center that has a water slide, pool and wading pool.

For other on-post choices, see MORALE, WELFARE AND RECREATION. You'll find information on golf courses, bowling centers, fitness centers, swimming pools, and other fun things to do.

If you are interested in recreation and sports off post, you will have some choices there, also. The Radcliff City Recreation Department has youth sports programs similar to those on post. There is T-ball, coach/pitch, baseball, soccer, and flag and tackle football programs for kids of all ages. The Elizabethtown Area Baseball Commission operates the peanut, minor, major, babe ruth and senior babe ruth baseball programs. Hardin County also has these baseball leagues and Elizabethtown has soccer and flag and tackle football programs. For the younger kids, soccer and t-ball/coach pitch are very popular.

Radcliff has two cinemas, Showtime Cinemas and Triple Gold Cinemas. Elizabethtown has the Movie

Palace. Elizabethtown has Freeman Lake, a manmade lake. It normally has fishing, paddle boats, canoes, pavilions, playgrounds, grills, volleyball nets, basketball goals, and ducks. This is a popular spot for families because parents can relax while the kids play. This is also a popular place for teenagers. They enjoy cruising through the park and gathering to talk. The park is open daily until dusk. Note that the water-based activities are not available at the present time because the lake is currently drained to repair a leak in the dam. However, the other activities are available. The Louisville Zoo is also very nice. You can easily spend a day there.

NOTE: The Fort Knox Leisure Travel Services offers discounts on admission costs for many attractions, such as those listed here. Call (502) 624-5030 or visit 1053 Spearhead Division Avenue to check it out.

If you like going to sporting events, there is the Louisville Riverbats, a minor league baseball team that is playing in a new stadium this year and the professional hockey team, the Louisville Panthers. Of course, college basketball is very big here, with the University of Louisville and the University of Kentucky. Games are a lot of fun to watch because of all the hype about it here.

Hardin County has a youth theatre program that operates out of the Radcliff City Park.

If you enjoy amusement parks, Six Flags Kentucky Kingdom is in Louisville at the fairgrounds. Hurricane Bay Water Park is connected to Kentucky Kingdom and one admission fee covers both. See LOCAL COMMUNITY, RECREATION for specific information. Kings Island is in Cincinnati, which is about 2 1/2 hours north.

There is snow skiing close by, Ski Butler in Carrollton and Paoli Peaks in Indiana. Midnight skiing is a popular event. And, Mammoth Cave is only 1 1/2 hours away and is a full day event. There are eleven different tours you may take and a nice park.

There is so much to do and see in this area, you should never be bored. If you can't find it right here, you certainly can without travelling too far.

Schools

The on post Fort Knox Community Schools district consists of eight schools: four elementary, two intermediate, a middle school, and the high school. The off post schools in Hardin County have two high schools (2000+ students in each) and numerous elementary and middle schools. E-Town has an independent school system. There are also several private schools in the area. See EDUCATION for specific information on each system. Information on education for teens is also published in the FOR TEENS ONLY section.

The schools, on and off post, offer excellent curriculums and programs. Academically, they are very good. They offer JR ROTC; FHA; FFA; band; choral programs; a variety of clubs and organizations; track and field; basketball; baseball; soccer; volleyball; tennis; weight-lifting; softball; golf, etc. There are both girls' and boys' basketball, tennis, golf, track and soccer. All the programs are excellent and will offer you the chance to become involved.

School Age Care

There is the before and after school program called School Age Services, SAS, through Child and Youth Services (CYS). SAS offers before and after school care for traditional and year-round children 6 to 10 years of age. Also included in this program is a computer lab, a homework center and neighborhood activity homes. This converts to full day care during vacations and intercessions.

Religious Programs

See SUPPORT SERVICES, RELIGIOUS ACTIVITIES for on post info.

There are also a number of places to worship off post. Many have christian life centers that include gymnasiums, game rooms, weight rooms, etc. Many of these also offer child care and summer day camp programs for children through 12 years of age. They also offer youth programs for 7-12 grades that include music, recreation, camps, etc. This is a great way to meet friends and have a good time.

Special Events

Each year Fort Knox and the surrounding communities come together to create an eventful day for special children. Golden Field Day is held in May. It features athletic competition for students in special education classes at Fort Knox and from Hardin, Meade and Bullitt counties. It is designed as a celebration of self-confidence and self-esteem for the participants. Golden Field Day began here in 1985 and is held in the Hardin County area.

You won't want to miss the Fort Knox Community Fair that is held the last week in June and first week in July. You also won't want to miss the Golden Armor Festival or Christmas in the Park. See below for more information.

Name: Christmas In The Park
POC: Elizabethtown Chamber of Commerce
City: Elizabethtown, KY 40121
Comments: This is a combination of over 100 Christmas light displays set up around Freeman Lake Park in Elizabethtown. There is no admission cost. Businesses in the area donate the displays and the City of Elizabethtown pays the light bill. Kids, bring your parents! They'll love it.

Comments: This is a weekend festival with many activities, such as craft and food booths, a hot air balloon race, canoe races, music, etc. Always held the last weekend in August.

Sponsorship and Support

When your parent inprocesses at ACS, ask them to complete the information card on teens in the family. Youth Services will send you some information to make your settling-in a little easier and let you know what's going on. Also, when you arrive, please speak to the counselor at school or someone in the Youth Center and perhaps they can assist you with an on-the-spot sponsor. The Youth Center also has e-mail capability and you may send messages to your friends at your previous home. Youth Services is the point of contact for the Youth Sponsorship Program at Fort Knox. If you contact either Mr. Ragland or Ms. Caruso they will put someone in contact with you.

Youth Employment

Other than odd jobs, it will be difficult finding paid employment on post. There is a Burger King, Kentucky Fried Chicken, and Anthony's Pizza on

post, but they may want you to be 18 years of age or older. You may advertise in the post newspaper if you are willing to do odd jobs, such as mowing yards.

Off post, there are many opportunities as long as you have your own transportation. There are too many fast food franchises to mention in Radcliff, Muldraugh and Elizabethtown. They will normally hire ages 16 and above. There are state laws that govern how late someone under 18 may work. There are also many retail businesses, including the Towne Mall and surrounding shopping centers in E-Town. You will probably have to be 18 years old to work retail. A great number of the students in this area work, even during school months. You just have to be able to balance work time with homework and other school activities.

If you are under 16, your opportunities will be much more limited. Your best bet is to talk to neighbors, other parents, etc. to see who needs odd jobs done. You can make some extra money if you want to badly enough.

There are volunteer opportunities that will give you good job experience. The American Red Cross on post always depends upon their youth volunteers during the summer months. If you are interested in volunteering, contact Sherri Stranahan, the Installation Volunteer Coordinator, at (502) 624-3167. She can tell you what's available and make a referral for you.

Youth Centers

The Devers Youth Center is a very nice facility. The staff is energetic, creative and fun to be around. They love working with children, youth and teens, and it shows. The Center is available to family members of active duty, retirees, reservists, and civilian employees. The annual fee is \$20.00 for one child and \$35.00 for a family. The center is open for ages 6-18 (different time frames are available for different ages.) A new Teen Center will open this Fall. Programs are as follows:

INSTRUCTIONAL: Tap/Ballet, Karate, piano, guitar, gymnastics, and Kindermusik.

REOCCURRING ACTIVITIES: Dances, trips, clubs, girthday parties, Youth/Teen Councils, Youth Sponsorship and a Computer Lab.

SPECIAL EVENTS: Fashion Shows, lock-ins, variety shows, concerts, pool parties, and Teen Discovery.

OPEN RECREATION: Self directed activities. Open Recreation for 6-10 year olds is on Saturdays. They are currently repositioning open recreation for Middle School/Teens. It is:

- an integral part of the Army Youth Program.
- available to ALL middle school/teens, targeting 11-15 year olds.
- safe, supportive values-based environment.
- offered during out of school hours/weekends/summers.
- provided with designated space within the youth center or separate teen center.
- provided satellite locations that include MWR facilities, gyms, schools.

There are no Youth Centers off post. But there is Colvin Community Center in Radcliff and Prichard Community Center in Elizabethtown. They have facilities you may use, such as gymnasiums and game rooms, and the local teenagers take advantage of that.

For Teens Only

For more information on this subject:
Military Teens On The Move

Before you arrive, contact Eddie Ragland at the number below and let him know you are coming. He will forward the information to the Keystone Club, which is responsible for Youth Sponsorship. Someone will send you a packet of information. If you do not have time to contact him before you arrive, ask your soldier parent to complete a teen intake form at Army Community Service when he/she inprocesses there. The card will be forwarded

to Mr. Ragland. Youth Services will have a youth sponsor contact you. You will be sent a welcome packet with information about upcoming events and you will be given a youth services sports bag with great things inside.

The environment here for teens is probably not very different from any other area, unless you are coming from a big city. The teens here hang out at football games, McDonald's in Radcliff and E-Town after ballgames, White Castle, Sonic, Taco Bell, the mall in E-Town and WalMart on weekends, and the bowling alleys. Cosmic bowling and Devers Youth Center (ages 6 through 18) are very popular with teens. They also enjoy going to the movies. Shawnee Park in Louisville is a popular weekend spot. Most weekends someone is having a party and the teens all go there. Just be careful about alcohol. Drinking and driving in this area is just NOT TOLERATED! Kentucky laws were changed to become much tougher on drunk drivers. You may obtain your drivers learners permit when you are 16 but you cannot take the driving test until 6 months after you obtain your permit.

If you enjoy sports, become involved in community sports teams or those in your schools. The sports programs are really good and the students enjoy watching.

There is no curfew on Fort Knox. There is a curfew in Radcliff. There is a Radcliff City Ordinance that states that youth under 18 years of age must be off the streets by 2330 (11:30 p.m.). If you are returning from the movies and you are stopped, just tell the policeman you are returning from the movies. That will probably be okay. But if you have been in trouble before, it may be used against you if you are caught breaking curfew. Talk to other teenagers after you arrive to find out what the trouble spots are. You can easily find out where and who to avoid.

The Devers Youth Center is a very nice facility. The staff is energetic, creative and fun to be around. The Center is available to family members, ages 6 through 18 of active duty, retirees, reservists, and civilian employees. There is a \$20.00 annual fee for one child and \$35.00 for family membership required for participation in these programs. A new Teen Center will open this Fall.

The following programs are available on post:

FACILITIES:

Outdoor lighted basketball/volleyball court, four baseball fields, one baseball/football field, nine

soccer fields, roller blade hockey, and the Youth/Teen Center, Building 5543 Chaffee Avenue.

SPORTS PROGRAMS:

Soccer: ages 4 1/2 - 18; season is Fall (Aug-Oct) and Spring (Mar-May).

Baseball: ages 5 - 18; season is May-Jul.

Football: ages 7-9 and 13-18(flag football); ages 10-12 (tackle football); season: Sep-Nov.

Basketball: ages 5-18; season is Jan-Mar.

Fishing Camp: Ages 11-15.

PROMISE PASSPORT PROGRAM: Youth Volunteer Program developed based on guidance from the Department of the Army.

Fila, Fubu, Polo, Nike, Reebok, Tommy Hilfiger and Nautica are popular brands here. The high school has a dress code so check that out when you arrive. (Information as to the dress code is under "School Information" below.) Gangs are not a big problem here; but, there are groups that like to call themselves gangs and you just need to be careful who you choose as friends.

Some of the popular FM radio stations are WQMF (95.7) - retro; DJX (99.7)-all kinds of music, mostly alternative; 104.3; FOX (100.5) - hard rock; 96.5 - R&B; WAMZ (97.5) - country; and WJIE (88.5) - contemporary christian. There are concerts offered at different times during the year in the Louisville area. There may also be some concerts on post that would interest you.

SCHOOL INFORMATION

FORT KNOX SCHOOLS:

Fort Knox schools are Department of Defense schools. For teens, there is one middle school (grades 7-8) and one high school (grades 9-12). They operate on a year round schedule which includes four instructional quarters separated by one to three week breaks. The 2000/2001 schedule is as follows: 7

Aug, first day for students; 9-16 Oct Fall break; 21 Dec-5 Jan, Winter Break; 19-28 Mar, Spring Break; and 6 Jun, last day for students. School admission requirements include being a resident of the installation, residing in the household of the service member. Requirements may be waived if the student meets the standard entrance requirements and the sponsor's assignment to family quarters on post will be made within 90 days from the date housing was requested. Letters to substantiate waivers will be initiated by the Housing Office during inprocessing. You must bring in an original sealed birth certificate, a social security number and a current immunization certificate converted to a Kentucky Immunization Certificate.

The Fort Knox schools comply with the Individuals with Disabilities Act. Complete special education services are offered for all areas of special education. Related services such as speech/language, occupational therapy, physical therapy and special transportation will be made available to special education students who require such assistance. Complete special education services are offered under IDEA for grades through grade 12 for all areas of special education. POC is Judy Parkison, (502)624-5654, extension 36 (DSN 464 prefix). If you have questions not answered, please contact Charlotte Peterson, Army Community Service, 502-624-6291. There is a TDD telephone located at ACS. The number is 502-624-7119.

Fort Knox students consistently score average to above average in all areas of nationally administered norm-referenced examinations. Approximately 70% of high school students are college bound. The grading system for the high school is: A (90-100), B (80-89), C(70-79), D (60-69) and F (59 and below). Subjects are designated as Advanced Placement, Honors Courses, Regular Courses, and Basic Courses. Semester quarterly points are determined by course designation and grade. This system is under review and subject to change.

The high school graduation credit requirements are English 4, Social Studies 2 1/2, Mathematics 3, Science 2, Health 1/2, and Physical Education 1/2 for a total of 12 1/2 required credits plus 7 1/2 electives (Class of 2001); and English 4, Social Studies 3, Mathematics 3, Health 1/2, Physical Education 1/2, and History and Appreciation of Visual and Performing Arts 1, for a total of 15 required credits plus 7 electives (Class of 2002). Foreign Language, Computer Science and Speech are recommended.

Discipline within the system is primarily the responsibility of the classroom teacher. When ordinary disciplinary measures fail, the student will enter into various levels of an established discipline procedure. The levels escalate from Level I for minor misbehavior normally handled by the teacher to Level IV for violent acts endangering others, which could result in out-of-school suspension to action by the Superintendent. In all situations students will be protected by due process. The complete Student Discipline Process can be read at any of the schools. Possession or use of a firearm will result in immediate suspension, notification of the Provost Marshal and referral for an expulsion hearing before the Disciplinary Panel.

The Gifted and Talented Program covers grades 1-8 with plans to expand into the high school. There are no summer classes offered. After school remediation is offered to any student needing help every day. Our JROTC program is consistently rated as one of the top programs in the nation. Final class rank is computed beginning with grade nine through the first semester of twelfth grade. The grade point average used to determine rank in class is determined by dividing the number of quality points earned by the number of units of credit attempted. Quality points are earned based upon the type classes you take (AP, Honors, etc.) Rank is based on cumulative grades. No classes are excluded when computing class rank. Vocational tracks are offered in welding, auto mechanics, and television production. The Career Intern Program provides students wide opportunities to intern in actual work situations on and off post.

The Dress Code is as follows: Students attending school and school sponsored functions are to wear neat, clean, appropriate clothing that meets the standards set forth in this code. The opinion of the school administrator will decide if clothing or other apparel poses a health or safety hazard or causes disruption of the good order, discipline and educational process. The wearing of excessively tight, distracting, extreme or inappropriate apparel is not permitted. Clothing, makeup, insignia or style or any indication in membership in a secret society/gang will not be allowed. Any clothing, lack of clothing, or article that is indecent, has questionable language or is potentially dangerous will not be allowed and/or any item which promotes violence, or disrespect, or draws unnecessary attention to self and/or mocks the school place. Patches, emblems, clothing and jewelry depicting vulgarity, nude or semi-nude figures, sexually suggestive positions/postures, or advertising alcoholic beverages, drugs or tobacco, promotes violence, hate, racism, discrimination

and/or disrespect shall be worn by any student. No students shall wear a hat, cap, sweatbands, bandanna or sunglasses inside the school. Bandannas will not be worn on school property at any time. Special days designated by the school principal may allow deviation from this or other points within this dress code. Students shall wear shoes at all times. Flaps and/or thongs (flip flops) are not permitted. Footwear will be judged on the basis of safety and hygiene. Excessively torn clothing will not be permitted. Holes in clothing will not be allowed to show underwear. Skirts, dresses, skorts, wraps, culottes, and shorts will be no shorter than the tips of the wearer's fingers with the arms and hands fully extended at the sides. Clothing which allows the midriff to be exposed shall not be permitted. Shirts, blouses, tops will be tucked in. They may be bloused out no more than 12 inches below the waist. All pants must be worn at the waist. All belts must be buckled. Pants which snap to the leg are not permitted. Body piercing (in which the body is punctured and decorated with a ring or piece of jewelry that attaches in a similar fashion as an earring) for either sex will be restricted to the ears only. All other visible body piercing (nose, lips, etc.) will not be allowed. Body piercing of the tongue will also not be permitted. No see through garments will be permitted unless worn over another acceptable garment. Tank tops and halter tops by themselves are not acceptable dress in the schools. Sleeveless shirts from the manufacturer are acceptable. Hair styles shall be appropriate and consistent with good grooming. Extreme mockingly distracting hair colors, costume makeup and jewelry are not permitted. Curlers are not permitted. Undergarments will not be worn as outer garments. Penalties for violations to the dress code will follow the standard discipline procedure. Students who violate the dress code will be asked to change the clothing in question immediately, if possible, or wait in the office until a parent can bring an appropriate change of clothing. Repeated offenses can result in suspension and/or expulsion.

Gang related behavior and incidents are very low but we can't say are non-existent. Law Enforcement Command works with the schools to provide inservice to educators on gang issues. Violent incidences are at an all time low. Substance Abuse programs are offered in all grades. The schools work with post on post-wide activities designed to make students and parents aware of problems with drug and alcohol abuse. Drug and alcohol abuse information is a standard part of the curriculum.

The middle school offers cheerleading and seventh and eighth grade basketball. The high school football team is a three time state champion in the past decade in its class. All of the athletic and academic teams are competitive. Athletics include football, baseball, track, cross country, softball, wrestling, soccer, golf, tennis, basketball and volleyball. As students are highly mobile, teams often have to be developed from year to year. Fort Knox High School offers more athletic opportunities than any school in the state. Clubs are offered in several areas within the curriculum: foreign language, television production, cheerleading, student council, National Honor Society, academic team, newspaper staff, drill team/honor guard (JROTC), Students Against Drunk Drivers, Boys and Girls State, Nations First Student Credit Union, Swing Choir, Governor's Scholars Program, Yearbook Staff and marching/pep bands. Some students are required to walk to school rather than ride a bus depending upon how far away from the school they live.

HARDIN COUNTY SCHOOLS:

If your parents choose to live off post, the school system that is closest to post is Hardin County. It includes the surrounding cities/towns of Radcliff, Elizabethtown (not city school district), Vine Grove, Rineyville, Cecilia, Glendale, Sonora, Upton and Stephensburg. Hardin County has two high schools (a third is scheduled to open in the fall of 2001), North Hardin in Radcliff and Central Hardin just south of Elizabethtown. Both schools offer the best in curriculum and facilities. Hardin County has five middle schools which include sixth, seventh and eighth grades. The two high schools have approximately 2000 students each. They operate on the year round schedule. The first day for students will be 2 August; the Fall intersession/break will be 4-15 October; Winter intersession/break will be 20 December-7 January; Spring intersession will be 27 March-7 April; the last day of school for students will be 9 June. Summer intersession has replaced summer school.

High School graduation credit requirements are as follows: Language Arts 4; Social Studies 3; Mathematics 3; Science 3; Health 1/2; Physical Education 1/2; and History and Appreciation of Visual and Performing Arts 1. A total of 15 required credits plus 7 electives is required. College prep courses are available. Students planning to attend college are encouraged to enroll in either the pre-college, academic studies, or the Commonwealth diploma curricula. Through a collaborative effort between Elizabethtown Community College and both

high schools, dual credit courses are offered on the high school campuses. There are Advanced Placement courses in U.S. History, Biology, Chemistry, English, French, German, Spanish and Calculus. There is a wide array of vocational courses in Agriculture, Technology, Business/Marketing and Family and Consumer Sciences. Both high schools offer JROTC. The 1998 graduates' ACT composite average was 21.1 at Central Hardin and 20.4 at North Hardin. Approximately 52% of Hardin County high school students are college bound. The grading system is A (92-100), B (83-92), C (74-82), D (68-72) and F (0-67).

The dress code is determined by each individual school. The schools operate under a strict Code of Conduct. Documents needed for enrollment are as follows: Birth Certificate within 30 days of enrollment, Kentucky Immunization Certificate upon enrollment, physical examination within 6 months prior to or 30 days after initial admission, and Social Security Number upon enrollment.

Services for students with disabilities are provided for all students through age 21, from the most severely involved to the mildly disabled. The Hardin County School District provides many alternative education programs to include Brown Street Education Center for students with behavior problems, Hardin County High School which serves students with an alternative method of obtaining a high school diploma, an educational component for the Hardin County Detention Center, and Hardin County Day Treatment and Lincoln Village Treatment Center for State Agency Children.

The Gifted and Talented Education Program is designed to serve those students through grade 12. Hardin County schools excel continuously in various areas, such as music, academics, and athletics. A wide array of sports/extracurricular activities are available within the school system, to include but not limited to: clubs, Junior Achievement, co-op, student council, academic team, band, newspaper/yearbook, choir, speech and drama, football, boys/girls basketball, boys/girls cheerleading, baseball, softball, intramurals, boys/girls cross country, boys/girls track, boys/girls golf, boys/girls tennis, boys/girls swimming, boys/girls soccer, wrestling, matmaids, etc.

Elizabethtown has an independent city school system. It includes one high school and one junior high school. If you live in the Elizabethtown city school district (not the same as the city limits) you may attend this system free of charge. If you live outside

the school district, you must pay tuition and there is a long waiting list for tuition students to get into the district. Tuition is reasonable. Elizabethtown may not operate on the same schedule as the county system.

The Meade County School System has one high school for the entire county and one middle school. Meade County is located close to post.

EMPLOYMENT:

You will have a few options for employment while you are living here. If you are under 16 you will be limited. You may want to advertise to do chores, such as lawn mowing, etc. Once you are 16 you can be employed wherever they are willing to hire under age 18. The fast food places on post require you to be 18 years of age. There are many fast food and retail places off post. Of course, you will have to have your own transportation. The Red Cross offers lifesaving classes each year if you need to be certified as a lifeguard. There are also volunteer opportunities on and off post. The Installation Volunteer Coordinator can tell you what is available. Her name is Sherri Stranahan and she is located in building T-11 Warehouse Street. Her telephone number is (502) 624-3167.

Survival Tips For First Termers

Survival Tips for First Termers Overview

A "first termers" is anyone who is on the first term of enlistment, including anyone who is making their first move. The best advice to give you at this point is to ask lots of questions. You can't be expected to know what you haven't been told. There are agencies out there to help you through all the firsts...the first time you move, the first time you go on an unaccompanied tour, etc. The military lifestyle is very rewarding, but the mobile lifestyle can be stressful. The more information you have before you experience those things, the better off you will be. Always have a point of contact for those agencies you think you may need. This applies to both single and married soldiers. Army Community Service (ACS) is an agency that will be on any Army post to which you are assigned. If you are assigned to a Navy, Marine or Air Force Base, there will be a Family Services Office. They have basically the same programs. Anytime you need assistance and you don't know where to call, call them. If they don't know the answer, they will refer you to someone who does. See SUPPORT SERVICES for a complete listing of ACS programs. Note particularly the

Relocation Assistance Program and the Outreach Program. Relocation will help you through your move, both departure and settling-in. It is very important that you fully understand your benefits and entitlements (finance, transportation, housing, etc.) as they apply to your move. The Outreach Program focuses on soldiers in the ranks of E-4 and below and their family members. Outreach publishes a New Military Spouse Survival Resource Guide that gives all the basic information a new military spouse will need to know. You may contact our Outreach Office or the Relocation Office and they will mail one to you.

If you are just entering the service and you are married, it is very important that you ensure your spouse and children have ID cards and are enrolled in Defense Eligibility Enrollment Reporting Systems (DEERS). They cannot receive medical care unless they are enrolled. And they cannot access other entitlements without the ID card. If your spouse is located somewhere else, go to the ID Card Section and complete a DD Form 1172 (Application for ID Card). Make sure you sign it. You will need to show your marriage license and birth certificates (you may show copies). You can mail that completed, signed application to your spouse and he/she can take it to the nearest military installation and receive the ID card. Children under ten years of age do not need an ID Card, but they do need to be enrolled in DEERS. Also make sure you talk to someone about TRICARE, the program that supplements the care the military can provide for you and your family. Many installations can no longer meet the needs for even basic care and you must be referred off post. You need to check out TRICARE and the TRICARE Family Member Dental Plan.

Before You Move

You can never be too prepared for a move. However, it helps that the Government will contract movers to pack up your household goods and ship them for you. There are some offices you will have to visit in order to set up your move. The first stop you should make is the Army Community Service Relocation Assistance Office. The Relocation staff can tell you whatever you need to know about your move and refer you to other agencies. You may need to set up an appointment for that. You will also have appointments with Transportation, Housing, Finance and Family Travel, as well as other stops listed on your clearance papers. If you are going overseas, you will have a Levy Briefing at AG Reassignments and you will be required to attend an Overseas Orientation. You are strongly encouraged to take your spouse with you to the Overseas Orientation, even if you are going unaccompanied. Spouses need to know what's going on so things won't seem so scary, especially if you will be travelling first and your spouse later. The Relocation Office should have a checklist that they can give you that will list all the things you will need to do before you move. If not, you may call this office and we will mail one to you. See SURVIVAL TIPS above for our address and telephone number. Also, you will want to request a sponsor by completing the request form at the AG Reassignments Office. The form will be sent to the gaining installation and hopefully you will be assigned a sponsor. If not, request one as soon as you sign in. Reactionary Sponsorship is better than none at all.

You will not receive Dislocation Allowance (DLA) when you make your first and last moves. Temporary Living Expense (TLE) is payable for enlisted members for all but your last move. Take this into consideration when planning your budget. If you are planning to be married, do it before you move, not after. If you marry after you move, the Government will not move your spouse's household goods. If you are going overseas, you will need to be married the authorized travel time plus one day before your reporting date in order to be eligible for all entitlements -- and that is if you are given "Command Sponsorship". That is a very important term for married soldiers going overseas. If you are married before you receive your orders, you may

request Command Sponsorship before you go. If you marry just before you go, you will need to request it after you are assigned a unit overseas. Your commander may or may not approve it. Command Sponsorship means your family is eligible for full entitlements, to include shipment of household goods, family travel, government housing (if available), medical care, and educational benefits. It is very difficult to take your family overseas without Command Sponsorship. Medical benefits would be on a space available basis only and your children might have to attend private schools, which could be very expensive. You would also be living on the economy. Other terms you will hear are "Deferred Travel" and "Concurrent Travel". Deferred Travel means you will go first and your family will travel later, when the government can guarantee housing within a certain amount of time. Concurrent Travel means the soldier and family may travel together. If you choose not to travel together, concurrent travel is good for 60 days after the reporting date. The Army will not allow your family to travel overseas if they are not going to have a place to live. If you are Command Sponsored the Army assumes responsibility for the soldier and the family.

If you are assigned to Korea and your spouse wants to go with you, as a first timer you probably will be assigned to Camp Casey or up around the DMZ. If your spouse goes with you, you may be required to stay in the barracks and your spouse may be living alone. There are no guarantees. If you are considering this, please speak to a Relocation staff member at ACS and find out exactly what your options are. Being separated is difficult but there are agencies that can help you get through it.

After You Arrive

See REPORTING PROCEDURES below for specifics about inprocessing. You will see Housing and Finance as a part of your inprocessing. You will need to contact the Transportation Office as soon as you have an address or telephone number to let them know where you can be contacted when your household goods arrive. Otherwise, they will sit in storage until you call them. If you are fortunate enough to have a sponsor, make sure you hook up with him/her. Please take time to visit the Army Community Service office. Ask for a welcome packet and to speak with someone on the Relocation Staff if you have questions about the area. There is a two day Newcomers/Inprocessing Briefing that is mandatory for E-4 and below. Your unit will schedule you to attend this. Spouses are also encouraged to attend. Sign up for the Newcomers

Tour that is offered the first Monday of every month. Hopefully, you have made reservations for temporary lodging, so you can rest and give your family a place to stay while you inprocess. If you have transportation, check out the surrounding area. Venture into Elizabethtown and maybe even Louisville. The sooner you get out, the sooner you will feel at home.

If you made a Do-It-Yourself-Move in coming here, you must file your settlement voucher with the Travel Section. All payments are made by Electronic Fund Transfer to the soldier's bank account. Travel settlement briefings are held Monday, Tuesday, Thursday and Friday at 1430 hours in Room 108, Building 1384, One Stop Processing.

Reporting Procedures

PERMANENT PARTY: All permanent party soldiers assigned to Fort Knox must report to the One Stop Processing Center, Bldg 1384 Vine Grove Road prior to reporting to their unit. You may sign-in in civilian clothes, but when you come back to One Stop for your inprocessing appointment you must be in uniform. You must bring your personnel records, orders, and leave form when you inprocess. If you are fortunate enough to have a sponsor, contact him and let him know you've arrived. This will be especially helpful if you need transportation. The One Stop building is open from 0730-1630 Monday through Friday. It is not open at all on weekends or holidays. There is a snack bar in the One Stop building with vending machines only. All personnel register for housing during their inprocessing. This applies to Family Housing, Single Soldier Quarters, and Transient Housing.

INITIAL ENTRY SOLDIERS: If you are coming to Fort Knox for basic training, one stop unit training, or advanced individual training, you will be taken to the 46th AG Battalion (Copple Reception Center), where you will process through several stations and then go to your unit.

If you are married and are coming here for Initial Entry Training, remember this is a temporary stopping place. You will receive orders and most likely leave Fort Knox after your training is completed. It is not a good idea for your family to

come here with you. You will not have the time to see your family and may not be able to even speak with them. It is best not to uproot them until you are ready to make your first move after AIT. You will have a great deal on your mind with the training schedule and you need to focus on that. However, if there is no other alternative and they come with you, we would like for them to contact us at Army Community Service (502) 624-6291/8391 and let us know they are here.

If you are coming here in a TDY status, you will report directly to the unit stated on your orders. The unit will schedule you for any necessary appointments.

Travel Planning

Plan your trip carefully. One of the first things you should do is make arrangements for temporary lodging. Most installations have guest houses that will be more convenient than staying off post. The Relocation Manager at ACS can give you the telephone numbers. See RELOCATION, BILLETING for information on Fort Knox temporary lodging.

If you are moving stateside, decide if you are going to make a Do-It-Yourself-Move or if you are going to let the Government move you. That may change your travel plans. You may want to become a member of an Auto Club, in case you have vehicle problems on the way. Plan how much money you will need for the trip - and then add some to that for extra incidentals and emergencies. If you have children, make sure you have travel games, snacks that are not messy, water bottles, a wet cloth, and anything else you can think of to help keep them occupied and happy. Take these same things on the airplane if you are traveling by air, especially if you are going overseas. Eight hours on an airplane is a long time for a small child. Take something that is special to the child so they will feel more comfortable.

See BEFORE YOU MOVE for information about Deferred/Concurrent Travel and other "official" information.

One more thing - do not draw an advance pay unless it is absolutely necessary. This is not a gift. You have to pay it back.

Vehicle Ownership

Vehicle Registration for on post is no longer required. To register your vehicle in Kentucky, you must pay a 6 per cent sales tax based on the book value of your vehicle. If you purchased the vehicle in another state and paid sales tax, you must only pay the difference in what you paid and the 6 per cent amount. This can be a considerable amount of money if your car is fairly new. The County Court Clerk's Office will not accept out of state checks, so be prepared to have a money order or cash. You might want to check with the Legal Assistance Office to see if your state home of record has a provision that will keep you from paying this tax. Also, you are not required to license your vehicle in Kentucky. You may continue to license it in your home state. Army Emergency Relief cannot loan you the money for this expense.

There is nothing in this area to make your insurance rates any higher than they would be anywhere else. The main thing you have to worry about is if you are under 25 years of age or if you have a history of tickets or accidents.

Housing and Billeting

Fort Knox is a good assignment for junior enlisted personnel because government housing is available for all ranks and the waiting times are short. Also, if you are a single soldier the new barracks that are for soldiers in the rank of E-5 and below are great. So, for first termers the housing situation here is very good. That, in turn, will ease your financial situation.

Comments: Make reservations. The new guest house is very nice. You may also call 1-800-GOARMY1. See BILLETING for guest house rates and info.

Money Matters

Keeping your money matters straight is very important because as a soldier you have an important job to do. You need to be able to concentrate on that and not be worried about how you are going to pay your bills. When you move, the government moves your household goods and can provide you with a plane ticket or travel allowances can be requested in accordance with local procedures. You will not receive DLA if it is your first or last move. TLE is payable for enlisted soldiers for all moves except the last move. You will find that you are never reimbursed for all that you spend. Everytime you move, start saving for the next move. You need a good budget and the determination to stick with it. The Army Community Service Consumer Affairs and Financial Assistance Office can assist you with setting up a budget and determining how you should spend your money. They can advise you on many consumer issues. You may call that office and set up an appointment to speak with a financial advisor. They also offer classes, such as Checkbook Management. Take advantage of all these great opportunities.

Beware of establishments in the local community that offer Rent To Own furniture and other items. You will pay much more than the item is worth and you may still not own it. Try to wait until you have the money to pay cash.

Also, stay away from Check Cashing Businesses. They will accept a post dated check and hold it until payday. However, they also will keep a large percentage of the check as a fee for holding it. If you get in a bind before payday, ask for assistance from

Army Emergency Relief. If this is an ongoing problem, they will help you establish a budget so you can resolve the problem.
